## A Dedicated Stock for Your Competition or Combat Rig

Who wants to run a mil-spec carbine buttstock these days? Not when you have options like this THRiL CCS AR-15 Competition Stock. It might say ""Competition,"" But this thing is built for battle, too, thanks to its feature-rich, lightweight design. By adding this THRiL CCS AR-15 Competition Stock to your rifle, you get three different sling-attachment slots, as well as two rotational quick-detach sling-swivel cups. The stock features an oversized cheek piece that gives you a comfortable, natural point to rest your face as you bring your carbine up into action. If that's not enough, the stock is also compatible with THRiL's adjustable cheek piece! Best of all, this lightweight CCS AR-15 Competition Stock features a snag-free latch design, so you don't have to worry about your stock adjustment tab getting caught up in your gear or adjusting your stock outside of your comfort zone accidentally. The stock is also available in black, dark earth or gray, so you can match the rest of your gun's furniture.

# Safety Instruction Guide for THRiL CCS AR15 Competition Stock

## Introduction

Thank you for choosing the THRiL CCS AR15 Competition Stock. This product is designed for competitive shooting and tactical applications. To ensure your safety and the safety of others, please read and follow this safety instruction guide carefully.

## General Safety Guidelines

- Ensure the product is used only as intended.
- Regularly inspect the stock for any signs of damage or wear before use.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Do not use the stock if it shows any signs of damage.
- Ensure that all sling attachments are secure before use.
- Always maintain a proper shooting stance and grip when using the firearm equipped with the stock.
- Avoid placing your face too close to the stock during adjustments.
- Use the stock in a safe environment, away from others, to prevent accidents.
- Be aware of your surroundings and ensure that the shooting range or area is clear of obstructions.

## Instructions for Installation and Usage

### 1. Installation of the Stock:

- Ensure your firearm is unloaded and safe before beginning installation.
- Remove the existing buttstock from your AR15 by loosening the adjustment screw.
- Align the THRiL CCS AR15 Competition Stock with the buffer tube and slide it into place.
- Secure the stock by tightening the adjustment screw until it is snug but not overly tight.

### 2. Adjusting the Stock:

- To adjust the length of the stock, locate the adjustment tab and pull it to release the latch.
- Slide the stock to the desired position and release the tab to lock it in place.
- Ensure that the latch clicks into place, indicating that the stock is securely adjusted.

### 3. Using Sling Attachments:

- Identify the three sling attachment slots on the stock.
- Attach your sling using the provided quickdetach slingswivel cups.
- Ensure that the attachments are secure and check them regularly during use.

### 4. Using the Cheek Piece:

- The oversized cheek piece provides a comfortable resting point for your face.
- If using the adjustable cheek piece, follow the manufacturer's instructions for adjustment.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the stock in regular household waste.
- Consider recycling options for plastic components where available.
