Safety Instruction Guide for AR15 Rugged Tactical Grip

Introduction

Thank you for choosing the AR15 Rugged Tactical Grip from THRI Inc. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your grip. Please read this document carefully before installation and use.

General Safety Guidelines

- Always ensure that your firearm is unloaded before attaching or adjusting the grip.
- Use the grip only with compatible AR15 models to avoid safety hazards.
- Regularly inspect the grip for wear or damage. Do not use if any defects are found.
- Keep the grip and firearm out of reach of children and unauthorized users.
- Always wear appropriate eye and ear protection when using firearms.
- Be aware of your surroundings and follow all local laws and regulations regarding firearm use.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure a proper grip: The aggressive texturing on the grip is designed for optimal control. Make sure your hand is positioned correctly to maintain a secure hold.
- Avoid using the grip in extreme conditions without proper preparation. Wet or muddy environments can affect your control.
- Do not modify the grip or firearm in any way that may compromise safety or functionality.
- If you experience any discomfort or difficulty while using the grip, cease use immediately and consult a professional.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is unloaded.
- Remove the existing grip by unscrewing it from the firearm.
- Align the THRI Rugged Tactical Grip with the grip mount on your AR15.
- Securely fasten the grip using the provided screws, ensuring it is tightly in place.
- Doublecheck that the grip is installed correctly and is stable before use.

2. Usage:

- Hold the grip firmly with your dominant hand.
- Maintain a proper stance and ensure your finger is off the trigger until ready to shoot.
- Familiarize yourself with the grip's feel and adjust your hold as necessary for comfort and control.
- Practice in a safe environment to become accustomed to the grip's performance during action drills.

Disposal Instructions

- Dispose of the grip in accordance with local waste disposal regulations.
- If the grip is damaged beyond use, consider recycling the polymer material if possible.
- Do not dispose of the grip in regular household waste if local regulations prohibit it.
