# AR15 Hammer Trigger Pin Safety Instruction Guide

## Introduction

Thank you for choosing the AR15 Hammer Trigger Pin manufactured by CMMG. This safety instruction guide is designed to provide you with essential information to ensure the safe use and installation of this product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that the AR15 Hammer Trigger Pin is compatible with your specific AR15 model before installation.
- Always handle firearms and their components with care and respect.
- Keep the product out of reach of children and unauthorized users.
- Inspect the product for any visible defects before use.
- Follow all local laws and regulations regarding firearm modifications and accessories.

## Specific Safety Precautions for Use

- Use only in a wellventilated area to avoid inhalation of any particles during installation.
- Wear appropriate safety gear, including safety glasses and gloves, when handling the trigger pin.
- Avoid using excessive force during installation to prevent damage to the firearm or the trigger pin.
- Do not attempt to modify or alter the trigger pin in any way.
- Always ensure that the firearm is unloaded before performing any maintenance or installation work.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure the firearm is completely unloaded.
- Gather necessary tools, including a punch tool and hammer.

### 2. Installation Steps

- Remove the existing hammer trigger pin from the firearm by using a punch tool to gently tap it out.
- Align the new AR15 Hammer Trigger Pin with the hammer assembly.
- Carefully insert the new trigger pin into the designated hole, ensuring it is seated properly.
- Use the punch tool to tap the pin into place gently. Ensure it is secure but do not use excessive force.
- Verify that the trigger pin is properly installed and that the hammer functions correctly.

### 3. PostInstallation Check

- Perform a function check on the firearm to ensure that everything operates smoothly.
- Store the firearm in a safe location when not in use.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the trigger pin is damaged or no longer usable, dispose of it responsibly to prevent environmental harm.
