# AR15 Extractor ORing Safety Instruction Guide

## Introduction

Thank you for choosing the AR15 Extractor ORing by CMMG. This guide provides essential safety instructions and information to ensure the safe use of the product. It complies with the EU General Product Safety Regulation (GPSR) to protect consumers and promote safe practices.

## General Safety Guidelines

- Always follow the manufacturer's instructions for safe use.
- Ensure the product is suitable for your specific AR15 model.
- Inspect the Extractor ORing for any signs of damage before use.
- Store the product in a dry, cool place away from direct sunlight.
- Keep out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Do not use the Extractor ORing if it appears worn, cracked, or damaged.
- Always wear appropriate safety gear when handling firearm components.
- Ensure the firearm is unloaded and pointed in a safe direction when installing or replacing the Extractor ORing.
- Follow all local laws and regulations regarding firearm modifications and maintenance.
- Consult a qualified gunsmith if you are unsure about the installation process.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure you have the necessary tools for installation, such as a punch tool or a suitable screwdriver.
- Make sure your workspace is clean and welllit.

### 2. Installation Steps:

- Ensure the firearm is unloaded and safe.
- Remove the bolt carrier group from the AR15.
- Locate the Extractor ORing on the extractor.
- Carefully remove the old ORing using a small tool, if necessary.
- Place the new AR15 Extractor ORing onto the extractor.
- Ensure it is seated properly and securely.

### 3. PostInstallation:

- Reassemble the bolt carrier group and reinstall it in the AR15.
- Conduct a function check to ensure proper operation.
- Store any unused ORings and tools safely.

## Disposal Instructions

- Dispose of old or damaged Extractor ORings according to local regulations for waste disposal.
- Do not dispose of any firearm components in regular household waste.

## **Contact Information for Further Support**

For any inquiries or additional support regarding the AR15 Extractor ORing, please refer to the manufacturer's contact details provided with the product packaging.

By following these safety instructions, you can ensure a safe and effective experience with your AR15 Extractor ORing. Thank you for your attention to safety and compliance with the EU General Product Safety Regulation.
