Safety Instruction Guide for AR15 Recoil Buffer Springs

Introduction

Thank you for choosing the AR15 Recoil Buffer Springs by Aero Precision. This guide provides important safety information and instructions to ensure the safe use and installation of this product. Please read this guide carefully before use.

General Safety Guidelines

- **Product Safety:** Ensure safe use of recoil buffer springs in compliance with applicable safety regulations.
- **Enhanced Recalls:** Stay informed about any recalls related to this product and follow the necessary procedures if a recall occurs.
- **Online Shopping:** Ensure that you purchase this product from authorized retailers to guarantee compliance with safety standards.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the manufacturer's contact information available at the point of purchase.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on product safety and recalls.

Specific Safety Precautions for Use

- Always inspect the recoil buffer springs for any signs of wear or damage before installation.
- Ensure that the product is compatible with your specific AR15 model before use.
- Do not use the recoil buffer springs on carbine models with a collapsible stock, as this may lead to malfunction or injury.
- Wear appropriate safety gear, including eye protection, when handling and installing the recoil buffer springs.
- Only use tools that are suitable for the installation of firearm components to prevent damage or accidents.
- Store the recoil buffer springs in a dry, cool place away from direct sunlight and moisture.

Instructions for Installation and Usage

1. Preparation:

- Ensure your workspace is clean and organized.
- Gather the necessary tools: a wrench, screwdriver, and any other tools required for your specific AR15 model.

2. Installation:

- Unload your firearm completely and ensure it is in a safe condition.
- Remove the existing buffer spring from the buffer tube.
- Carefully install the new recoil buffer spring into the buffer tube, ensuring it is seated correctly.
- Reassemble your firearm according to the manufacturer's specifications.

3. Usage:

- After installation, conduct a function check to ensure that the firearm operates correctly.
- If you encounter any issues, consult a qualified gunsmith for assistance.

Disposal Instructions

- Dispose of any worn or damaged recoil buffer springs in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check with local authorities for proper disposal methods for firearm components.

Contact Information for Further Support

For assistance or inquiries regarding this product, please refer to the manufacturer's contact information available at the point of purchase.

Thank you for your attention to these safety instructions. Your safety and the safe operation of your firearm are of utmost importance.
