Safety Instruction Guide for AR15 Buffer Tube End Plate

Introduction

Thank you for choosing the AR15 Buffer Tube End Plate by AERO PRECISION. This product is designed to enhance the functionality of your AR15 carbine with an adjustable stock. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always ensure that the firearm is unloaded before performing any installation or maintenance.
- Keep the product out of reach of children and unauthorized users.
- Inspect the product regularly for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm accessories.
- Store the product in a safe and secure location when not in use.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Do not exceed the manufacturer's specifications for the AR15 carbine.
- Ensure that the end plate is properly installed to avoid any malfunctions.
- Use only compatible parts with your AR15 carbine to prevent safety hazards.
- Avoid using the product in extreme temperatures or harsh environmental conditions.
- Wear appropriate safety gear when handling firearms and related accessories.

Instructions for Installation and Usage

1. Installation Steps:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing buffer tube end plate, if applicable.
- Align the AERO PRECISION Buffer Tube End Plate with the buffer tube.
- Secure the end plate using the provided screw, ensuring it is tightened to the manufacturer's specifications.
- Doublecheck the installation for proper fit and security.

2. Usage Instructions:

- After installation, perform a functional check of the AR15 carbine to ensure proper operation.
- Regularly inspect the buffer tube and end plate for signs of wear or damage.
- If any issues arise during use, cease operation immediately and consult a qualified gunsmith.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding firearm accessories.
- Do not discard the product in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please reach out to the designated EU contact point

provided by the manufacturer.

By following these guidelines, you can ensure the safe and effective use of the AR15 Buffer Tube End Plate. Thank you for your attention to safety and for choosing AERO PRECISION products.
