Safety Instruction Guide for Aero Precision AR15 Charging Handles 5.56MM

Introduction

Thank you for purchasing the Aero Precision AR15 Charging Handle 5.56MM. This guide provides important safety information and instructions to ensure the safe and effective use of your charging handle. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the charging handle is compatible with your AR15 firearm model.
- Always treat your firearm as if it is loaded, even when it is not.
- Keep the charging handle and firearm out of reach of children and unauthorized users.
- Inspect the charging handle for any signs of damage before use. Do not use if damaged.
- Always wear appropriate safety gear, including eye protection, when handling firearms.
- Familiarize yourself with the operation of your firearm and the charging handle before use.
- Store your charging handle and firearm in a secure location to prevent unauthorized access.

Specific Safety Precautions for Use

- Use the charging handle only as intended. Do not modify or alter the charging handle.
- Ensure that the firearm is pointed in a safe direction when using the charging handle.
- Do not place your finger on the trigger until you are ready to fire.
- Avoid using the charging handle with excessive force, as this may cause damage to the firearm or the handle itself.
- Be mindful of your surroundings and ensure that no one is in close proximity when charging the firearm.
- If you experience any malfunctions during use, stop immediately and seek assistance from a qualified gunsmith.

Instructions for Installation and Usage

1. Installation

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove the existing charging handle if applicable, following the manufacturer's instructions.
- Align the Aero Precision AR15 Charging Handle with the receiver of the firearm.
- Insert the charging handle into the receiver until it is securely in place.
- Test the charging handle by pulling it back to ensure smooth operation.

2. Usage

- To charge the firearm, grasp the charging handle with one hand.
- Pull the charging handle back firmly to the rear, ensuring that it engages the bolt carrier group.
- Release the charging handle to allow it to return to its original position.
- If using the ambidextrous feature, use the left or rightside activation lever as preferred.

Disposal Instructions

- Dispose of the charging handle in accordance with local regulations.
- Do not dispose of the charging handle in regular household waste.
- If the charging handle is damaged beyond repair, contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's contact information provided with your product packaging or visit the official Aero Precision website.

Conclusion

By following these safety instructions and guidelines, you can ensure the safe and effective use of your Aero Precision AR15 Charging Handle 5.56MM. Always prioritize safety and responsibility when handling firearms. Thank you for choosing Aero Precision.
