# Safety Instruction Guide for Aero Precision AR15 Ambidextrous Charging Handle 5.56mm

## Introduction

Thank you for choosing the Aero Precision AR15 Ambidextrous Charging Handle 5.56mm. This product is designed to enhance the functionality of your firearm while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use, install, and dispose of the charging handle properly. Your safety is our priority.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Ensure that the charging handle is properly installed before use.
- Regularly inspect your charging handle for any signs of wear or damage.
- Do not use the charging handle if it is damaged or malfunctioning.
- Store your firearm and accessories in a safe and secure location, out of reach of children.
- Follow all local laws and regulations regarding firearm use and ownership.

## Specific Safety Precautions for Use

- Ensure that you are in a safe environment when using the charging handle.
- Use the charging handle only with compatible AR15 models.
- Do not force the charging handle if it does not operate smoothly; seek assistance if you experience issues.
- Always wear appropriate eye protection when handling firearms.
- Be aware of your surroundings and ensure that no one is in the line of fire when using your firearm.

## Instructions for Installation and Usage

### Installation Instructions

1. **Ensure Safety:** Before installing, ensure your firearm is unloaded and pointed in a safe direction.
2. **Remove Old Charging Handle:** If applicable, remove the existing charging handle by pulling it out of the upper receiver.
3. **Insert New Charging Handle:** Align the Aero Precision Ambidextrous Charging Handle with the receiver and gently slide it into place.
4. **Check Functionality:** Pull the charging handle to ensure it operates smoothly and engages properly.
5. **Secure the Handle:** Ensure that the charging handle is securely in place before using your firearm.

### Usage Instructions

- To charge your firearm, pull the charging handle back using either the left or rightside activation lever.
- Release the charging handle to allow it to return to its original position.
- Always ensure that the firearm is pointed in a safe direction when charging.

## Disposal Instructions

- Dispose of the charging handle in accordance with local regulations.
- If the charging handle is damaged or no longer usable, do not attempt to repair it; instead, contact a professional for safe disposal.
- Recycle materials where possible in accordance with local recycling guidelines.

## **Contact Information for Further Support**

For any safety inquiries or further assistance, please refer to the contact information provided with your product or visit the official Aero Precision website.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with your Aero Precision AR15 Ambidextrous Charging Handle 5.56mm. Always prioritize safety and responsibility when handling firearms. Thank you for your commitment to safety.
