# Safety Instruction Guide for AR .308 Charging Handle Ambidextrous

## Introduction

Thank you for purchasing the Aero Precision AR .308 Ambidextrous Charging Handle. This guide provides essential safety information and instructions for the proper use and care of your product. Please read this guide carefully to ensure safe and effective operation.

## General Safety Guidelines

- Always handle your firearm and its components with care.
- Ensure that the firearm is unloaded before installing or using the charging handle.
- Keep the charging handle and firearm out of reach of children and unauthorized users.
- Regularly inspect the charging handle for any signs of wear or damage. Do not use if damaged.
- Familiarize yourself with the operation of your firearm and the charging handle before use.

## Specific Safety Precautions for Use

- Do not use the charging handle in adverse weather conditions, such as heavy rain or snow, that may affect its performance.
- Ensure that the charging handle is properly installed before attempting to charge your firearm.
- Always keep your fingers away from the trigger and the firearm's action while charging.
- Use the charging handle only with compatible AR308 firearms.
- If you experience any difficulty while using the charging handle, stop using it immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation

- Ensure your firearm is unloaded and pointed in a safe direction.
- Remove the existing charging handle from your AR308 if applicable.
- Align the new Aero Precision charging handle with the receiver of your firearm.
- Gently slide the charging handle into the receiver until it is securely in place.
- Confirm that the handle moves freely and operates as intended.

### 2. Usage

- To charge the firearm, grasp the charging handle with either hand.
- Pull the handle back firmly to the rear, allowing the bolt to cycle.
- Release the handle to return it to its original position.
- Always verify that the firearm is ready for use after charging.

## Disposal Instructions

- Dispose of the charging handle in accordance with local regulations.
- If the charging handle is damaged beyond repair, contact your local waste management authority for proper disposal methods.
- Do not dispose of the charging handle in regular household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of your Aero Precision AR .308 Ambidextrous Charging Handle, please refer to your retailer or manufacturer's website for additional support and resources.

## **Conclusion**

By following these safety instructions, you can ensure the safe and effective use of your Aero Precision AR .308 Ambidextrous Charging Handle. Always prioritize safety and responsible handling of firearms. Thank you for choosing Aero Precision.
