Safety Instruction Guide for AR15 MOE Lower Parts Kits W/O Fire Control Group

Introduction

Thank you for choosing the AR15 MOE Lower Parts Kit without Fire Control Group from Aero Precision. This product is designed to help you assemble your AR15 Gen 2 Lower Receiver safely and efficiently. Please read this safety instruction guide carefully to ensure proper use and compliance with safety standards.

General Safety Guidelines

- Ensure that all components are compatible with your AR15 Gen 2 Lower Receiver or similar milspec lower receiver.
- Always handle firearms and firearm components with care and respect.
- Keep all parts out of reach of children and unauthorized users.
- Regularly inspect your firearm and its components for signs of wear or damage.
- Follow all local laws and regulations regarding firearm assembly and ownership.
- If you are unsure about any aspect of the assembly or use, seek professional guidance.

Specific Safety Precautions for Use

- Use protective eyewear when handling or assembling firearm components.
- Do not attempt to assemble or modify your lower parts kit if you are under the influence of drugs or alcohol.
- Always ensure that the firearm is unloaded before beginning assembly.
- Keep fingers away from the trigger and the firearm's action until you are ready to fire.
- Be aware of your surroundings and ensure that you are in a safe environment when using the firearm.

Instructions for Installation and Usage

1. **Preparation:** Before starting the assembly, ensure you have the following tools available:

- Armorer's wrench
- Punch set
- Screwdriver set
- Lubricant (if necessary)

2. **Components Included:**

- Magpul MOE Grip in Black or FDE
- Magpul MOE Trigger Guard in Black or FDE
- Takedown Pin
- Pivot Pin
- Takedown/Pivot Detent
- Takedown/Pivot Spring
- Bolt Catch
- Bolt Catch Buffer
- Bolt Catch Roll Pin
- Bolt Catch Spring
- Magazine Catch Body
- Magazine Catch Button
- Magazine Catch Spring
- Buffer Retainer

- Buffer Retainer Spring
- Safety Selector
- Safety Selector Spring
- Safety Selector Detent
- 440 Set Screw (for threaded takedown pin detent hole)

3. Assembly Steps:

- Start by attaching the Magpul MOE Grip to the lower receiver using the provided screws.
- Install the Magpul MOE Trigger Guard by securing it in place with the appropriate pins.
- Insert the Takedown Pin and Pivot Pin into their respective positions.
- Ensure that the Takedown/Pivot Detent and Spring are properly seated.
- Install the Bolt Catch and secure it with the Bolt Catch Roll Pin.
- Attach the Magazine Catch and ensure it operates smoothly.
- Finally, install the Safety Selector and ensure it functions correctly.

4. PostInstallation Check:

- After assembly, perform a thorough inspection to ensure all components are securely installed.
- Test the functionality of the magazine catch, bolt catch, and safety selector without ammunition.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If any components are damaged or no longer usable, dispose of them responsibly and in compliance with local laws.

Contact Information for Further Support

For any safety inquiries, product support, or assistance, please refer to the manufacturer's website or customer service resources.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your AR15 MOE Lower Parts Kit. Thank you for your attention to safety and responsible firearm ownership.
