# Safety Instruction Guide for AR15 MOE Lower Parts Kit (Without Fire Control Group)

## Introduction

Thank you for choosing the AR15 MOE Lower Parts Kit from Aero Precision. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before installation and usage.

## General Safety Guidelines

- Always ensure that the workspace is clean and free from distractions when handling firearm components.
- Keep all parts and tools out of reach of children and unauthorized individuals.
- Wear appropriate safety gear, including safety glasses and gloves, during installation and handling.
- Be aware of your local laws and regulations regarding firearm assembly and ownership.
- If you are uncertain about any aspect of the assembly process, consult a qualified gunsmith or professional.

## Specific Safety Precautions for Use

- Ensure that the AR15 Lower Parts Kit is compatible with your lower receiver before installation.
- Do not attempt to modify any components of the kit unless you are a trained professional.
- Always check that the firearm is unloaded before working on or assembling any parts.
- Handle all components with care to avoid damage and ensure proper functionality.
- Regularly inspect the installed parts for wear and tear, and replace any damaged components immediately.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools, including a punch set, hammer, and any additional tools required for assembly.
- Ensure that you have a clean and welllit workspace.

### 2. Installation Steps

- Begin by identifying all components included in the AR15 MOE Lower Parts Kit:
  - Magpul MOE Grip in Black or FDE
  - Magpul MOE Trigger Guard in Black or FDE
  - Takedown Pin
  - Pivot Pin
  - Takedown/Pivot Detent
  - Takedown/Pivot Spring
  - Bolt Catch
  - Bolt Catch Buffer
  - Bolt Catch Roll Pin
  - Bolt Catch Spring
  - Magazine Catch Body
  - Magazine Catch Button
  - Magazine Catch Spring

- Buffer Retainer
- Buffer Retainer Spring
- Safety Selector
- Safety Selector Spring
- Safety Selector Detent
- 440 Set Screw (for threaded takedown pin detent hole)

- **Assembling the Lower Receiver**

- Install the Magpul MOE Grip onto the lower receiver using the provided screws.
- Place the Magpul MOE Trigger Guard in position and secure it with the appropriate screws.
- Insert the Takedown Pin and Pivot Pin, ensuring they are properly seated.
- Install the Takedown/Pivot Detent and Takedown/Pivot Spring into their respective holes.
- Attach the Bolt Catch by inserting it into the receiver and securing it with the Bolt Catch Roll Pin.
- Install the Magazine Catch and ensure it functions correctly.
- Finally, install the Safety Selector, ensuring it moves freely and is secured properly.

### 3. Final Checks

- After installation, conduct a thorough check to ensure all components are securely in place.
- Test the functionality of the installed parts before using the firearm.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If you have any damaged or unusable components, follow local guidelines for hazardous waste disposal.

## Contact Information for Further Support

For any inquiries or concerns regarding the AR15 MOE Lower Parts Kit, please refer to the contact details provided with the product packaging or on the manufacturer's website.

By following these safety instructions and guidelines, you can ensure a safe and efficient assembly and use of your AR15 MOE Lower Parts Kit. Thank you for your attention to safety.
