# Safety Instruction Guide for AR15 Enhanced Lower Parts Kit with MOE Grip & Trigger Guard

## Introduction

Thank you for choosing the AR15 Enhanced Lower Parts Kit with MOE Grip & Trigger Guard by Aero Precision. This guide provides essential safety instructions and information to ensure the safe and effective use of your product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that all components are compatible with your AR15 platform before assembly.
- Always handle firearms and firearm components with care and in accordance with local laws and regulations.
- Store all components in a secure location, away from children and unauthorized users.
- Regularly inspect all parts for wear and damage before use.
- Follow all local, state, and federal laws regarding the ownership and use of firearms.

## Specific Safety Precautions for Use

- **Age Restrictions:** This product is intended for use by individuals who are legally permitted to own and operate firearms. Ensure that all users are of legal age and have received proper training.
- **Personal Protective Equipment (PPE):** Always wear appropriate PPE, such as safety glasses and gloves, when handling firearm components to prevent injury.
- **Assembly Cautions:** Ensure that the firearm is unloaded and the chamber is clear before beginning assembly or installation of the parts kit.
- **Function Check:** After installation, perform a function check to ensure all components are operating correctly before using the firearm.
- **Emergency Procedures:** In case of malfunction or unsafe conditions, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and components from the AR15 Enhanced Lower Parts Kit.
- Ensure you have a clean and welllit workspace.

### 2. Installation Steps:

- **Install the Buffer Retainer and Spring:**
  - Insert the buffer retainer into the lower receiver and place the spring into position.
- **Attach the Bolt Catch:**
  - Position the bolt catch in the lower receiver and secure it with the bolt catch roll pin.
- **Install the Trigger Assembly:**
  - Carefully place the trigger, hammer, and associated springs into the designated slots in the lower receiver.
- **Insert the Safety Selector:**
  - Position the safety selector in the lower receiver and ensure it is functioning properly.
- **Attach the Magpul MOE Grip:**
  - Align the grip with the receiver and secure it using the grip screw and lock washer.

- **Install the Billet Trigger Guard:**
  - Position the trigger guard in place and secure it with the trigger guard roll pin.

### 3. **Final Checks:**

- After installation, ensure all components are secure and functioning.
- Perform a function check by cycling the action and ensuring the safety selector operates correctly.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local waste management regulations.
- If any components are damaged or no longer usable, follow local guidelines for the disposal of firearm parts and materials.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the AR15 Enhanced Lower Parts Kit, please refer to your local dealer or the manufacturer's website for assistance.

## **Conclusion**

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your AR15 Enhanced Lower Parts Kit. Always prioritize safety and compliance with applicable laws when handling firearm components. Thank you for your attention to these important safety measures.
