# Safety Instruction Guide for AR15 Lower Parts Kits with MOE Grip

## Introduction

Thank you for choosing the Aero Precision AR15 Lower Parts Kit with MOE Grip. This guide provides important safety information and instructions to ensure the safe and effective use of the product. Please read this guide thoroughly before installation and use.

## General Safety Guidelines

- Ensure that you are familiar with local laws and regulations regarding the use of firearms and firearm components.
- Always handle firearms and components with care and respect.
- Keep all components out of reach of children and unauthorized users.
- Regularly inspect all parts for wear and damage before use.
- Use only components that are compatible with your firearm to avoid malfunctions.
- If you are unsure about any aspect of installation or usage, seek assistance from a qualified professional.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when working with firearm components.
- Ensure that the firearm is unloaded before beginning any assembly or maintenance work.
- Be aware of your surroundings and ensure that you are in a safe environment when handling firearms.
- Do not attempt to modify or alter any components beyond their intended use, as this may lead to unsafe conditions.
- Follow all manufacturer instructions for installation and usage to avoid potential hazards.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and components from the kit.
- Ensure you are working in a clean, welllit area.

### 2. Installation Steps:

- **Install the Magpul MOE Grip:**
  - Align the grip with the lower receiver.
  - Secure it using the provided screws and ensure it is tight but not overtorqued.
- **Attach the Magpul MOE Trigger Guard:**
  - Position the trigger guard in place and secure it with the appropriate pins.
- **Install the Fire Control Group:**
  - Follow the specific instructions provided with the fire control group to ensure proper installation.
- **Install the Takedown and Pivot Pins:**
  - Insert the takedown and pivot pins into their respective holes and secure them with the detent and springs.
- **Complete the Assembly:**
  - Ensure all components are properly secured and functioning before use.

### 3. PostInstallation Checks:

- Inspect the assembly to ensure that all parts are correctly installed and functioning.
- Conduct a function check of the firearm to verify that it operates safely and effectively.

## **Disposal Instructions**

- Dispose of any unused or damaged components in accordance with local regulations.
- Avoid discarding components in regular household waste; instead, consider recycling options where available.
- Ensure that all firearmrelated components are rendered inoperable before disposal.

## **Contact Information for Further Support**

For any questions or concerns regarding the Aero Precision AR15 Lower Parts Kit with MOE Grip, please refer to the manufacturer's website or customer support resources for assistance.

By following these safety guidelines and instructions, you can help ensure a safe and enjoyable experience with your Aero Precision AR15 Lower Parts Kit. Thank you for your attention to safety and compliance with the EU General Product Safety Regulation.
