Safety Instruction Guide for AR15 Lower Parts Kits with MOE Grip

Introduction

Thank you for choosing the AR15 Lower Parts Kit with MOE Grip from Aero Precision. This guide provides essential safety information and instructions for the proper use, installation, and disposal of your product. Please read this guide carefully to ensure safe handling and compliance with EU regulations.

General Safety Guidelines

- Always handle firearms and firearm components with care and responsibility.
- Ensure that you are familiar with the laws and regulations regarding firearms in your jurisdiction.
- Keep all components out of reach of children and unauthorized users.
- Inspect all parts for damage or wear before use. Do not use damaged components.
- Follow all manufacturer instructions for assembly and use.
- Store components in a secure location to prevent unauthorized access.
- Report any unsafe products or accidents to local authorities.

Specific Safety Precautions for Use

- Use only compatible components when assembling your firearm.
- Always wear appropriate safety gear, including eye protection, when working with firearms.
- Ensure that your workspace is clean and free of distractions during assembly.
- Do not attempt to modify any components unless you are a qualified gunsmith.
- Be aware of your surroundings and ensure that you are in a safe environment when handling firearms.
- If you are unsure about any aspect of the assembly or use, seek assistance from a qualified professional.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and components from the kit.
- Ensure that your workspace is clean and welllit.

2. Assembly Instructions

- Follow these steps to assemble your Aero Precision AR15 Lower Parts Kit:
 - Install the Magpul MOE® Grip:
 - Align the grip with the lower receiver.
 - Secure it using the provided screws.
 - Install the Magpul MOE® Trigger Guard:
 - Position the trigger guard in place.
 - Fasten it with the appropriate screws.
 - Install the Takedown and Pivot Pins:
 - Insert the takedown pin into the designated hole.
 - Repeat for the pivot pin.
 - Install the Bolt Catch:
 - Position the bolt catch in the designated area.
 - Secure it with the roll pin.
 - Install the Magazine Catch:
 - Insert the magazine catch body into the lower receiver.
 - Attach the magazine catch button and spring.

- Install the Fire Control Group:
- Follow the instructions provided with the fire control group.
- Ensure that all pins and springs are properly seated.
- Complete the assembly by installing the remaining components as per the provided list.

3. Final Checks

- After assembly, doublecheck all components to ensure they are securely installed.
- Perform a function check to ensure the firearm operates correctly.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not throw components in regular trash; instead, seek out designated disposal facilities for hazardous materials if applicable.
- Ensure that all components are rendered inoperable before disposal.

Contact Information for Further Support

For any questions or concerns regarding the assembly, use, or safety of your AR15 Lower Parts Kit, please refer to the manufacturer's website or customer support channels. It is essential to have access to professional guidance when dealing with firearm components.

By following these instructions and safety guidelines, you can ensure a safe and enjoyable experience with your Aero Precision AR15 Lower Parts Kit. Always prioritize safety and responsibility when handling firearms.
