AR15 Lower Parts Kit Safety Instructions

Introduction

Thank you for choosing the AR15 Lower Parts Kit with MOE SL Grip from Aero Precision. This kit is designed to provide you with the essential components to assemble your AR15 lower receiver safely and effectively. Please read this safety instruction guide carefully to ensure safe use and compliance with applicable regulations.

General Safety Guidelines

- Always handle firearms and firearm components with care and responsibility.
- Ensure you are familiar with local laws and regulations regarding firearm assembly and usage.
- Keep all components out of reach of children and unauthorized individuals.
- Inspect all parts for damage or defects before use.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves during assembly.
- Report any unsafe products or accidents to the relevant authorities immediately.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Improper assembly may lead to malfunction or failure during use.
 - Sharp edges on components can cause cuts or injuries.
 - Small parts pose a choking hazard for young children.
- **Avoiding Hazards:**
 - Follow the assembly instructions closely to prevent improper installation.
 - Handle all components with care to avoid injury from sharp edges.
 - Store all small parts in a secure container away from children.

Instructions for Installation and Usage

1. Preparation:

- Gather all components included in the kit.
- Ensure you have the necessary tools for assembly, such as a punch set, screwdriver, and torque wrench.

2. Assembly Steps:

- **Install the Takedown and Pivot Pins:**
 - Insert the takedown and pivot pins into the lower receiver.
 - Secure with the corresponding detents and springs.
- **Attach the Bolt Catch:**
 - Position the bolt catch in the designated area and secure with the roll pin.
- **Install the Magazine Catch:**
 - Insert the magazine catch body and secure with the magazine catch button.
- **Attach the Grip and Trigger Guard:**
 - Position the Magpul MOE SL Grip and trigger guard, securing them with the provided screws.
- **Install the Fire Control Group:**
 - Carefully follow the instructions for the installation of the trigger, hammer, and associated components.
- **Final Checks:**
 - Ensure all components are securely fastened and function correctly before use.

3. PostInstallation:

- Conduct a thorough function check of the assembled lower receiver.
- Ensure that all safety mechanisms are operational.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If any components are damaged or no longer usable, follow local guidelines for the safe disposal of firearm parts.

Contact Information for Further Support

For any questions or concerns regarding the AR15 Lower Parts Kit, please refer to the manufacturer's website or customer support resources. Ensure you have the product details ready for a more efficient inquiry.

Thank you for your attention to these safety instructions. Your safety and the safety of others is our top priority. Enjoy your assembly and use of the AR15 Lower Parts Kit responsibly.
