Safety Instruction Guide for AR15 Lower Parts Kits with MOE SL Grip

Introduction

Thank you for choosing the AR15 Lower Parts Kit with MOE SL Grip by Aero Precision. This guide provides essential safety instructions to ensure the safe use and handling of your product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that all components are used in compliance with local laws and regulations.
- Inspect all parts for any signs of damage or wear before installation or use.
- Store all parts in a secure location, out of reach of children and unauthorized persons.
- Always follow manufacturer instructions for installation and use.
- Report any unsafe products or accidents to the relevant authorities.
- Regularly check for updates on product recalls via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Potential Hazards:**

- Improper installation may lead to malfunction or injury.
- Failure to follow safety guidelines can result in accidents.

- **Precautions:**

- Always wear appropriate safety gear, including eye protection, when handling tools and parts.
- Ensure that the workspace is clean and organized to prevent accidents.
- Do not attempt to modify any components unless instructed by a qualified professional.
- Keep all small parts away from children to prevent choking hazards.
- If you are not familiar with firearm assembly, seek assistance from a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and components.
- Read through the entire installation guide before beginning.

2. Installation Steps:

- Begin by ensuring the AR15 Lower Receiver is clean and free of debris.
- Install the Takedown Pin and Pivot Pin, securing them with the Takedown/Pivot Detent and Spring.
- Attach the Bolt Catch using the Bolt Catch Roll Pin and secure it with the Bolt Catch Spring.
- Insert the Magazine Catch Body and secure it with the Magazine Catch Button and Spring.
- Install the Safety Selector, ensuring the Safety Selector Spring and Detent are properly positioned.
- Attach the Trigger and Hammer, ensuring that all pins are properly seated and secured.
- Finally, install the Magpul MOE SL Grip and Trigger Guard as per manufacturer instructions.

3. PostInstallation Checks:

- After installation, conduct a thorough inspection of all components to ensure proper assembly.

- Perform a function check to ensure that the firearm operates safely and as intended.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If any parts are damaged or no longer usable, contact local waste management services for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the safety or use of the AR15 Lower Parts Kit with MOE SL Grip, please refer to the manufacturer's contact information provided with your product.
