# Safety Instruction Guide for M4E1 Lower Parts Kits with MOE Grip, No FCG

## Introduction

Thank you for choosing the M4E1 Lower Parts Kit with MOE Grip, No FCG from Aero Precision. This guide provides important safety instructions and guidelines to ensure the safe and effective use of your product. Please read this manual carefully before installation and use.

## General Safety Guidelines

To ensure the safe use of the M4E1 Lower Parts Kit, please follow these general safety guidelines:

- Always handle firearms and firearm components with care.
- Keep all components out of reach of children and unauthorized users.
- Inspect all parts for damage or defects before use.
- Ensure that you are in compliance with all local laws and regulations regarding firearms.
- Use safety equipment, such as eye and ear protection, when assembling or using firearms.
- If you are unsure about any aspect of installation or use, seek assistance from a qualified gunsmith.

## Specific Safety Precautions for Use

When using the M4E1 Lower Parts Kit, please observe the following specific safety precautions:

- Ensure that the firearm is unloaded before beginning any assembly or installation.
- Follow all manufacturer instructions for the installation of components.
- Do not attempt to use the kit components with any firearm other than a compatible Aero Precision M4E1 Lower Receiver or similar milspec lower receiver.
- Be cautious of sharp edges on metal parts during handling and installation.
- Store the components in a secure location to prevent unauthorized access.

## Instructions for Installation and Usage

To properly install and use the M4E1 Lower Parts Kit, please follow these instructions:

### 1. Preparation:

- Gather all necessary tools and components.
- Ensure you have a clean, welllit workspace.

### 2. Assembly Instructions:

- Begin by installing the Magpul MOE Grip onto the lower receiver.
- Insert the Takedown Pin and Pivot Pin into their respective holes.
- Attach the Takedown/Pivot Detent and Takedown/Pivot Spring.
- Install the Bolt Catch and secure it with the Bolt Catch Roll Pin.
- Insert the Magazine Catch Body and secure it with the Magazine Catch Button and Magazine Catch Spring.
- Ensure that all components are securely installed and functioning correctly.

### 3. Final Checks:

- Verify that all parts are correctly installed and that there is no play in the components.
- Conduct a function check of the assembled lower receiver before use.

## **Disposal Instructions**

When disposing of any unused or defective parts from the M4E1 Lower Parts Kit, please follow these guidelines:

- Dispose of metal components in accordance with local recycling regulations.
- Ensure that all parts are disposed of in a way that prevents unauthorized access.
- Follow local laws regarding the disposal of firearm components.

## **Contact Information for Further Support**

For any questions or concerns regarding the M4E1 Lower Parts Kit, please consult your retailer or contact the manufacturer directly. Ensure you have your product information ready for reference.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure the safe handling and use of your M4E1 Lower Parts Kit with MOE Grip, No FCG. Always prioritize safety and compliance with local laws and regulations. Thank you for your attention to these important safety measures.
