# Safety Instruction Guide for M4E1 Lower Parts Kits with MOE Grip

## Introduction

Thank you for choosing the M4E1 Lower Parts Kit with MOE Grip from Aero Precision. This kit is designed to provide you with the essential components needed to assemble your AR15 lower receiver. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure safe use of the product by following all instructions and guidelines provided in this document.
- Be aware of potential hazards associated with the assembly and use of firearms.
- Always handle your firearm with care, treating it as if it is loaded.
- Store all components in a secure location, out of reach of children and unauthorized individuals.
- Regularly check for any product recalls or safety alerts related to this kit on the EU Safety Gate platform.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when assembling or using firearm components.
- Ensure that the workspace is clean and free from distractions to avoid accidental injury.
- Verify that all components are compatible with your specific lower receiver model before assembly.
- Do not attempt to modify or alter any components unless you are a qualified gunsmith.
- Keep your fingers away from the trigger until you are ready to fire.
- Ensure that the firearm is pointed in a safe direction at all times during assembly and usage.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools and components from the M4E1 Lower Parts Kit.
- Ensure that your workspace is clean and organized.

### 2. Assembly Steps

- **Install the Magpul MOE Grip:**
  - Align the grip with the lower receiver.
  - Use the 440 set screw to secure the grip in place.
- **Install the Takedown Pin:**
  - Insert the takedown pin into the designated hole in the lower receiver.
- **Install the Pivot Pin:**
  - Insert the pivot pin into the pivot hole of the lower receiver.
- **Install the Bolt Catch:**
  - Position the bolt catch in its designated area and secure it with the bolt catch roll pin.
- **Install the Magazine Catch:**
  - Insert the magazine catch body and button into the lower receiver.
  - Secure with the magazine catch spring.
- **Complete the Assembly:**
  - Ensure all components are securely fastened and check for proper function.

### **3. PostInstallation Check**

- Inspect the assembled lower receiver for any loose components.
- Ensure that all parts are functioning correctly before attaching the upper receiver.

## **Disposal Instructions**

- Dispose of any unused or broken components in accordance with local regulations.
- Do not dispose of firearm parts in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the M4E1 Lower Parts Kit with MOE Grip, please refer to the manufacturer's website or contact their customer support for assistance. Ensure you have your product details ready for reference.

Thank you for your attention to these safety instructions. Enjoy your assembly experience and practice safe handling of your firearm components.
