Safety Instruction Guide for M4E1 Lower Parts Kits with MOE SL Grip

Introduction

Thank you for purchasing the M4E1 Lower Parts Kit with MOE SL Grip. This guide provides essential safety information and instructions to ensure safe and proper use of the product. Please read this guide carefully before using the kit.

General Safety Guidelines

- Ensure that all components are compatible with your firearm to prevent malfunctions.
- Always handle firearms with care and treat every firearm as if it is loaded.
- Keep firearms and components out of reach of children and unauthorized users.
- Wear appropriate safety gear, including eye protection, when assembling or using firearm components.
- Regularly inspect all parts for signs of wear or damage before use.
- If you are unsure about any aspect of the assembly or use of this product, consult a qualified gunsmith.

Specific Safety Precautions for Use

- This kit does NOT include a fire control group. Ensure you have a compatible fire control group before assembly.
- The Magpul MOE SL Grip is designed for ergonomic handling. Ensure it is securely attached before use.
- Use only milspec components to ensure safety and reliability.
- Be aware of your surroundings and ensure a safe environment when using the firearm.
- Follow all local laws and regulations regarding firearm assembly and usage.

Instructions for Installation and Usage

1. Preparation

- Gather all the necessary tools and components required for assembly.
- Ensure your work area is clean and free from distractions.

2. Assembly Steps

- **Install the Takedown Pin and Pivot Pin**
 - Insert the takedown and pivot pins into their respective holes on the lower receiver.
- **Install the Takedown/Pivot Detent and Spring**
 - Place the detent and spring into the designated holes for the takedown and pivot pins.
- **Attach the Bolt Catch**
 - Insert the bolt catch into its slot and secure it with the roll pin and spring.
- **Install the Magazine Catch**
 - Insert the magazine catch body and button, followed by the magazine catch spring.
- **Install the Buffer Retainer and Spring**
 - Place the buffer retainer and its spring into the appropriate hole.
- **Attach the Safety Selector**
 - Insert the safety selector and secure it with the selector spring and detent.
- **Final Checks**
 - Ensure all components are securely installed and function correctly.

3. Usage

- Once assembled, follow the manufacturer's instructions for your specific firearm model.
- Always perform a function check to ensure that the firearm operates safely before use.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of firearm parts in regular trash. Check with local authorities for appropriate disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the M4E1 Lower Parts Kit, please refer to the manufacturer's website or contact their customer service for assistance. Ensure you have the product details available for a prompt response.

Thank you for your attention to these safety guidelines. Enjoy your experience with the M4E1 Lower Parts Kit with MOE SL Grip, and always prioritize safety.
