Safety Instruction Guide for AR .308 M5 Lower Parts Kit with MOE Grip

Introduction

Thank you for choosing the AR .308 M5 Lower Parts Kit with MOE Grip from Aero Precision. This guide provides essential safety instructions and information to ensure the safe use of this product. Please read this guide carefully before installation and usage to avoid any potential hazards.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep all components out of reach of children and vulnerable individuals.
- Always follow local laws and regulations regarding firearms and firearm components.
- Inspect all parts for damage or defects before use.
- If any part is damaged or missing, do not proceed with installation or use.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling firearm components.
- Only assemble or disassemble the lower parts kit in a safe and controlled environment.
- Ensure that the firearm is unloaded and the chamber is clear before beginning any work on it.
- Do not modify any components unless you are a qualified gunsmith.
- Follow all manufacturer instructions for the proper assembly and installation of parts.
- Be aware of the potential hazards associated with improper installation, which can lead to malfunction or injury.

Instructions for Installation and Usage

- Before beginning installation, gather all necessary tools and components.
- Read the following steps carefully to ensure proper assembly:

1. Prepare the Workspace

- Choose a clean, welllit area to work in.
- Lay out all components and tools for easy access.

2. Assemble the Lower Receiver

- Install the M5 Takedown Pin:
- Insert the takedown pin into the designated hole on the lower receiver.
- Install the M5 Pivot Pin:
- Insert the pivot pin into the appropriate hole on the lower receiver.
- Install the M5 Bolt Catch:
- Position the bolt catch in its designated area and secure it with the bolt catch buffer and roll pin.
- Attach the Extended Magazine Catch Button:
- Insert the magazine catch body into the lower receiver and secure it with the magazine catch spring and extended button.

3. Install the Magpul MOE Grip

- Align the grip with the lower receiver.
- Secure the grip using the provided screws and ensure it is tightly fastened.

4. Final Checks

- Inspect all assembled parts to ensure they are secure.
- Check that the safety selector functions properly.
- Perform a function check of the lower receiver before attaching it to the upper receiver.

Disposal Instructions

- Dispose of any unused or damaged parts in accordance with local regulations.
- Do not dispose of firearm components in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.
