Safety Instruction Guide for AR15 Billet Trigger Guards

Introduction

Thank you for choosing the Aero Precision Billet Trigger Guard for your AR15. This guide provides important safety instructions and guidelines to ensure the safe and effective use of the product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that you read and understand all instructions before using the product.
- Always handle firearms and firearm accessories with care.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the trigger guard for any signs of wear or damage before use.
- If you encounter any issues during installation or use, do not hesitate to seek professional assistance.

Specific Safety Precautions for Use

- Always wear safety glasses when installing or handling firearm components.
- Ensure the firearm is unloaded before installation or modification.
- Do not attempt to modify the trigger guard or any firearm components beyond the manufacturer's specifications.
- Be aware of your surroundings when handling firearms to avoid accidents.
- If you experience any malfunction or unusual behavior during use, cease operation immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation:

- Gather the necessary tools: a 5/64th hex wrench (not included) and the Aero Precision Billet Trigger Guard.
- Ensure the firearm is unloaded and in a safe environment for installation.

2. Installation Steps:

- Remove any existing trigger guard from the lower receiver of the AR15.
- Align the Aero Precision Billet Trigger Guard with the mounting holes on the lower receiver.
- Using the 3 button head screws provided, secure the trigger guard in place. Ensure the screws are tightened but do not overtighten to avoid damaging the aluminum.
- Inspect the installation to ensure it is secure and properly aligned.

3. Usage:

- Once installed, familiarize yourself with the trigger guard's features.
- Ensure that the trigger guard does not interfere with the operation of the firearm.
- Regularly check the integrity of the installation during routine firearm maintenance.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the product is damaged or no longer in use, consider recycling the aluminum components where

facilities exist.

- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product support, please reach out to the manufacturer's customer service or visit their official website. Ensure to have your product details ready for assistance.

This guide is designed to ensure the safe use of the Aero Precision Billet Trigger Guard. Adhering to these safety instructions will help protect you and others while enjoying your firearm. Thank you for your attention to safety.
