# Safety Instruction Guide for CRUSH WASHERS FOR AR15

## Introduction

Thank you for choosing the CRUSH WASHERS FOR AR15 by AERO PRECISION. This guide provides important safety instructions to ensure the safe use and installation of your crush washer. Please read this document carefully to understand how to use this product safely and effectively.

## General Safety Guidelines

- Always ensure that the crush washer is compatible with your AR15 model before installation.
- Inspect the crush washer for any signs of damage or wear before use.
- Keep the crush washer out of reach of children and vulnerable individuals.
- Do not attempt to modify the crush washer in any way.
- Report any unsafe products or accidents to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that you are using the crush washer in accordance with the manufacturer's guidelines.
- Use appropriate tools when installing the crush washer to avoid injury.
- Wear safety glasses and protective gear during installation to protect against debris.
- Do not exceed the manufacturer's recommended torque specifications when installing the crush washer.
- If you experience any unusual noises or performance issues after installation, discontinue use and inspect the product.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including a wrench and safety glasses.
- Ensure that the work area is clean and free from any hazards.

### 2. Installation:

- Remove the existing flash hider or muzzle device from your AR15 if applicable.
- Clean the surface where the crush washer will be installed to ensure a proper seal.
- Place the crush washer behind the flash hider or muzzle device.
- Align the flash hider or muzzle device with the barrel and ensure it is seated properly against the crush washer.
- Tighten the flash hider or muzzle device using a wrench, following the manufacturer's torque specifications.
- Inspect the installation to ensure there are no gaps or misalignments.

### 3. Usage:

- After installation, test the functionality of your AR15 to ensure everything is operating correctly.
- Regularly inspect the crush washer for wear or damage, especially after extensive use.

## **Disposal Instructions**

- Dispose of any damaged or worn crush washers in accordance with local regulations.
- Do not dispose of the crush washer in household waste if it is made of materials that require special handling.
- Consider recycling the crush washer if possible, following local recycling guidelines.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety or installation of your CRUSH WASHERS FOR AR15, please consult the manufacturer's website or contact their customer support for assistance.

Thank you for prioritizing safety and following these guidelines. Enjoy using your AR15 with the confidence that you are using a highquality product from AERO PRECISION.
