Safety Instruction Guide for CRUSH WASHERS FOR AR15 AERO PRECISION

Introduction

Thank you for choosing the CRUSH WASHERS FOR AR15 AERO PRECISION. This guide provides important safety information and instructions to ensure the safe and effective use of this product. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always inspect the crush washer for any signs of damage or wear before installation.
- Keep the product out of reach of children and vulnerable individuals.
- If you experience any issues or concerns regarding the product, discontinue use immediately and seek assistance.
- Report any unsafe products or incidents to the relevant authorities.
- Check for recall updates regularly on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Only use the crush washer with compatible AR15 components.
- Avoid overtightening the crush washer during installation, as this may damage the product or the firearm.
- Ensure that the crush washer is properly seated before use to prevent misalignment.
- Do not use the crush washer if it shows signs of significant wear, deformation, or damage.
- Always wear appropriate safety gear, such as eye protection, when handling firearms and accessories.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and components for installation.
- Ensure that your workspace is clean and free from distractions.

2. Installation:

- Remove any existing crush washer from the flash hider or muzzle device.
- Clean the area where the new crush washer will be installed to ensure a proper fit.
- Place the new crush washer behind the flash hider on your AR15.
- Handtighten the flash hider onto the barrel until snug.
- Use a torque wrench to tighten to the manufacturer's specifications, ensuring not to overtighten.

3. Usage:

- After installation, inspect the assembly to confirm that everything is secure.
- Fire the firearm in a safe and controlled environment.
- Regularly check the crush washer for wear or damage after use.

Disposal Instructions

- Dispose of any damaged or worn crush washers in accordance with local regulations.
- Do not dispose of the product in regular household waste if it contains hazardous materials.
- Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the CRUSH WASHERS FOR AR15 AERO PRECISION, please refer to the contact information provided by the manufacturer or retailer from which the product was purchased.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
