AR .308 Upper Parts Kit Safety Instructions

Introduction

Thank you for purchasing the Aero Precision AR .308 Upper Parts Kit. This guide provides essential safety instructions to ensure the safe use, installation, and disposal of the product. Please read this document carefully before using the kit, and keep it for future reference.

General Safety Guidelines

- Ensure you are familiar with local laws and regulations regarding firearm assembly and usage.
- Always handle the parts of the Upper Receiver with care to avoid injury.
- Keep the parts away from children and unauthorized persons.
- Use personal protective equipment (PPE) such as safety glasses and gloves when handling or assembling components.
- Inspect all parts for damage before use. Do not use damaged components.
- Store the parts in a secure location when not in use.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Forward Assist Assembly:** Ensure the assembly is correctly installed to avoid malfunction.
- **Ejection Port Cover:** Verify that the cover operates smoothly; a stuck cover can cause feeding issues.
- **Springs and Pins:** Handle springs and roll pins with care, as they can cause injury if they snap back unexpectedly.
- **Installation Area:** Work in a clean, welllit, and organized area to prevent loss of small parts and ensure safety.
- **DistractionFree Environment:** Avoid distractions while assembling to maintain focus and prevent accidents.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and components before beginning the assembly.
- Ensure your workspace is clean and free of clutter.

2. Assembly Steps:

- **Forward Assist Assembly:**
 1. Insert the Forward Assist into the designated slot on the Upper Receiver.
 2. Secure it with the Forward Assist Roll Pin.
- **Ejection Port Cover:**
 1. Attach the Ejection Port Cover Rod to the Ejection Port Cover.
 2. Position the Ejection Port Cover in the Upper Receiver and secure it with the Ejection Port Cover Spring.
- **Final Inspection:**
 1. Check that all components are securely attached and functioning correctly.
 2. Ensure that the Forward Assist and Ejection Port Cover operate smoothly.

3. PostAssembly:

- Store the assembled Upper Receiver in a safe location.

- Regularly check the assembly for wear and functionality.

Disposal Instructions

- Dispose of any damaged or unused parts in accordance with local regulations.
- Recycle materials where possible. Check with local recycling facilities for proper disposal methods.
- Do not dispose of parts in regular household waste.

Contact Information for Further Support

For any safety inquiries or further support regarding the Aero Precision AR .308 Upper Parts Kit, please refer to the manufacturer's website or contact their customer service directly. It is important to have a reliable source for assistance with any questions or concerns you may have.

Thank you for taking the time to read and understand these safety instructions. Your safety and satisfaction are our top priorities.
