# Safety Instruction Guide for ULTRALIGHT 34MM EXTENDED SCOPE MOUNTS

## Introduction

Thank you for choosing the ULTRALIGHT 34MM Extended Scope Mount by AERO PRECISION. This guide provides essential safety instructions and operational guidelines to ensure the safe and effective use of your scope mount. Please read this document carefully before installation and usage.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always inspect the scope mount for any signs of damage or wear before each use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or incidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Installation Safety:** Ensure that the scope mount is installed correctly to prevent accidents during use.
- **Weight Limit:** Do not exceed the weight limit specified for the scope mount.
- **Eye Relief:** Adjust the scope mount to achieve proper eye relief to avoid eye strain or injury.
- **Secure Fastening:** Always ensure that screws are tightened to the recommended torque of 15 inlbs to avoid loosening during use.
- **Environmental Conditions:** Avoid using the scope mount in extreme weather conditions that may affect performance.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including a torque wrench.
- Ensure that the firearm is unloaded and pointed in a safe direction during installation.

### 2. Installation:

- Align the scope mount with the MilSpec 1913 Picatinny rail on the AR type upper receiver.
- Position the rear ring of the scope mount forward by 1 inch to enhance eye relief.
- Insert the screws into the crossslot keyway of the mount.
- Use a torque wrench to tighten the screws to a torque of 15 inlbs.

### 3. Usage:

- Once installed, check that the scope is securely mounted and properly aligned.
- Test the scope mount by gently shaking the firearm to ensure stability.
- When using the scope, maintain a proper stance and grip to ensure control and accuracy.

### 4. PostUse:

- After use, inspect the scope mount for any signs of wear or damage.
- Clean the mount as necessary to maintain performance.

## Disposal Instructions

- Dispose of the ULTRALIGHT 34MM Extended Scope Mount in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for recycling options for aluminum materials.

## Contact Information for Further Support

For any questions or concerns regarding the ULTRALIGHT 34MM Extended Scope Mount, please refer to the manufacturer's website or contact their customer support for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your ULTRALIGHT 34MM Extended Scope Mount. Thank you for your attention to these important guidelines.
