# HK MLOK RAILS GEISSELE AUTOMATICS 10.5" HK416 MK15 SUPER MODULAR RAIL SMR MLOK BLACK Safety Instructions

## Introduction

Thank you for choosing the Geissele SMR HK416 MK15 MLOK. This guide provides essential safety instructions and guidelines to ensure the safe use of the product. Please read this document carefully before installation and usage.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the manufacturer's instructions for installation and usage.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- In case of any defects or issues, discontinue use immediately and seek assistance.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Only use the product with compatible firearms as specified by the manufacturer.
- Ensure that all mounting hardware is securely tightened before use.
- Avoid exposing the product to extreme temperatures or harsh chemicals.
- Do not modify the product in any way that could compromise its integrity or safety.
- Always wear appropriate safety gear when handling firearms equipped with this rail system.
- Be aware of your surroundings and ensure that the area is safe for shooting activities.

## Instructions for Installation and Usage

### Installation

1. **Preparation:** Ensure that the firearm is unloaded and pointed in a safe direction.
2. **Remove Existing Rail:** If applicable, carefully remove any existing rail system from the firearm.
3. **Install Barrel Nut:** Attach the stock HK barrel nut according to the manufacturer's specifications.
4. **Attach the Rail:** Align the Geissele SMR HK416 MK15 rail with the barrel nut and secure it using the provided mounting hardware.
5. **Check Alignment:** Ensure that the rail is properly aligned and securely attached.
6. **Final Inspection:** Inspect all connections and ensure that the rail is firmly in place before proceeding.

### Usage

- Once installed, familiarize yourself with the rail system and its features.
- Use the MLOK mounting options at 3, 6, and 9 o'clock positions as needed.
- Utilize the full picatinny rail along the top and shortened picatinny rails on the forend for mounting accessories.
- Regularly check the tightness of all mounted accessories to prevent any accidents.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.

- Do not dispose of the product in regular household waste.
- Seek out recycling options for aluminum materials where available.

## **Contact Information for Further Support**

For any questions or concerns regarding the Geissele SMR HK416 MK15 MLOK, please reach out to the designated EUbased contact point provided by the manufacturer.

Thank you for prioritizing safety and compliance while using the Geissele SMR HK416 MK15. Enjoy your product responsibly!
