SUPER COMBAT SLINGS WITHOUT FSS Safety Instructions

Introduction

Thank you for choosing the Geissele Super Combat Sling. This product is designed for tactical, competitive, or hunting applications. It is important to read and understand these safety instructions to ensure safe and effective use of the sling.

General Safety Guidelines

- Ensure that the sling is used only for its intended purpose.
- Regularly inspect the sling for any signs of wear or damage before each use.
- Keep the sling away from children and vulnerable individuals.
- Follow all instructions provided in this manual to minimize risks.
- In case of any accidents or unsafe product incidents, report them to the relevant authorities.

Specific Safety Precautions for Use

- Do not exceed the maximum adjustment limits: Front adjustment: 30 inches maximum Rear adjustment: 21 inches maximum
- Avoid using the sling with incompatible equipment or accessories.
- Ensure that the sling is securely attached to your weapon before use.
- When transitioning from a tight onbody carry to ontarget, do so slowly and carefully to maintain control.
- Be cautious of sharp edges or pinch points when adjusting the sling.

Instructions for Installation and Usage

Installation

1. **Select the Attachment Points:** Identify the front and rear attachment points on your weapon.
2. **Attach the Sling:**
 - Use the militarygrade polymer fasteners to securely attach the sling to the weapon.
 - Ensure that the fasteners are locked in place and cannot be easily dislodged.
3. **Adjust the Sling:**
 - Use the adjusting buckle to set the desired length for your body type or carry style.
 - Ensure that the adjustments are secure and that the sling does not slip during use.

Usage

- To transition from onbody carry to ontarget:
 - Loosen the sling slightly using the adjusting buckle.
 - Bring the weapon into position while maintaining control of the sling.
 - Tighten the sling as needed for stability when aiming.
- If you choose to create a modular handle using the included heat shrink and paracord, follow the manufacturer's guidelines to ensure safety and effectiveness.

Disposal Instructions

- Dispose of the sling in accordance with local regulations.
- If the sling is damaged beyond repair, consider recycling materials where possible.
- Do not dispose of the sling in regular household waste if it contains nonbiodegradable materials.
