## **A Short-Action Stock for Your Savage 110 Rifle**

The Hunter 110 Stock - Savage 110 Short Action is the latest addition to the Magpul Hunter stock product line. It features enhanced ergonomics, versions for both right and left-hand actions, eight M-LOK® slots for mounting options, and a fully adjustable length of pull and comb height. These features have been optimally designed to provide a more stable shooting platform, improved user comfort and individual accessory customization. Like its predecessors, the Magpul Hunter 110 features a Type III hard anodized, machine-finished, cast aluminum bedding block that doesn't require bedding and is a true "drop-in" stock solution. The Hunter 110 is designed for 3rd generation Savage short action Series 10/110 centerfire rifles that have center-feed magazine compatibility and action screw hole spacing of 4.40" (H-prefix and later) with production a date of 2006 and later. The Hunter 110 also includes Magpul's Bolt Action Magazine Well for optimal functionality with AICS-spec detachable box magazines such as Magpul's PMAG® 5 7.62 AC (sold separately).

**FEATURES** Reinforced polymer shell with Type III hard anodized, machine finished, A380 cast aluminum V-bedding block. Available for right and left hand actions. Provides AICS-spec magazine compatibility for optimal performance and reliability (magazines sold separately) Made in the USA.

# HUNTER 110 Adjustable Stock Safety Instruction Guide

## Introduction

Thank you for your purchase of the HUNTER 110 Adjustable Stock for Savage Arms. This guide provides essential safety information, installation instructions, and usage precautions to ensure your safety and optimal performance of the product. Please read this guide thoroughly before use.

## General Safety Guidelines

- Ensure the product is suitable for your specific firearm model before installation.
- Always handle firearms and accessories with care, following all safety protocols.
- Store the stock and all firearm components in a secure location, out of reach of children.
- Regularly inspect the stock for any signs of wear or damage. If damage is found, discontinue use immediately.
- Follow all local regulations regarding firearms and accessories.

## Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before installing or adjusting the stock.
- Use the stock only with compatible Savage 110 short action rifles.
- Be aware that the adjustable length of pull and comb height can affect your shooting posture. Adjust these settings to your comfort before firing.
- Avoid using the stock in extreme temperatures or conditions that may compromise its integrity.
- Do not exceed the recommended weight limit for accessories mounted on the stock.
- When using detachable box magazines, ensure they are compatible with AICS specifications for reliable performance.

## Instructions for Installation and Usage

### Installation Instructions

#### 1. Unpack the Stock:

- Carefully remove the HUNTER 110 stock from the packaging.
- Inspect for any visible damage or missing components.

#### 2. Prepare the Firearm:

- Ensure the firearm is completely unloaded.
- Remove the existing stock from the Savage 110 rifle according to the manufacturer's instructions.

#### 3. Install the HUNTER 110 Stock:

- Align the bedding block of the HUNTER 110 stock with the action of the rifle.
- Secure the stock using the action screws provided, ensuring they are tightened to the manufacturer's specifications.

#### 4. Adjust Length of Pull and Comb Height:

- Use the provided spacers to adjust the length of pull as needed.
- Adjust the comb height to suit your shooting style and comfort.

## 5. Check Compatibility:

- Ensure that the stock is securely fastened and that the firearm operates smoothly with the new stock.

## Usage Instructions

- Before each use, inspect the stock and firearm for any signs of wear or damage.
- When handling the firearm, always follow the basic rules of firearm safety:
  - Treat all firearms as if they are loaded.
  - Keep your finger off the trigger until ready to shoot.
  - Always point the firearm in a safe direction.
- After adjusting the stock, practice shooting in a controlled environment to become familiar with the new setup.

## Disposal Instructions

- Dispose of the stock and any packaging materials in accordance with local waste disposal regulations.
- If the stock is damaged or no longer usable, check for recycling options for polymer and aluminum materials in your area.

## Contact Information for Further Support

For any inquiries regarding safety, installation, or product performance, please contact your retailer or the manufacturer directly. Always ensure you have the product's model information ready for reference.

By following these guidelines, you can ensure a safe and enjoyable experience with your HUNTER 110 Adjustable Stock. Thank you for prioritizing safety and responsible firearm handling.
