A Backpacker Stock for Your Ruger PC Carbine

When the Backpacker Stock first emerged for the popular Ruger 10/22®, enthusiasts flocked to the streamlined design that made takedown models of the 10/22 easy to carry. Now, that same functionality is available to owners of the Ruger PC Carbine®, which operates with the same quick-takedown mechanism as the 10/22. This Magpul Backpacker Stock provides ultimate portability and provides many of the same features found in the original X-22 Backpacker. You'll find the same interface that locks the two separate halves of the gun together for transport and storage, and there are M-LOK attachment slots on the forend that make adding accessories a breeze. Ruger® models equipped with chassis and/or tubular handguards utilize a Modular Handguard Mount which will need to be replaced by the end user with a standard Takedown Block in order to mount the Magpul Forend. Each Magpul PC Carbine® Backpacker Stock includes two storage locations, one found in the water-resistant grip and the other in the cheek riser that accommodates storage for a single pistol magazine. The size of this rear compartment will accommodate magazines up to the size of Magpul's PMA 21 GL9. This drop-in stock fit is designed to work with PC Carbines chambered in 9mm and .40 S&W, and there are interchangeable cheek risers that will work for mounted optics. A non-slip rubber butt pad ensures shooting comfort, and you can add an additional 3/8-inch insert to adjust the length-of-pull.

SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Magpul PC Backpacker Stock for your Ruger PC Carbine. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this manual thoroughly before installation and usage.

General Safety Guidelines

- Ensure that you are familiar with the operation of your Ruger PC Carbine before using the Backpacker Stock.
- Always handle firearms with care and assume they are loaded until verified otherwise.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm and Backpacker Stock securely, away from children and unauthorized users.
- Regularly inspect the Backpacker Stock for any signs of wear or damage before use.
- Avoid using the Backpacker Stock in conditions that may impair your ability to handle the firearm safely (e.g., fatigue, alcohol consumption, or drugs).
- Follow all local laws and regulations regarding firearm ownership and usage.

Specific Safety Precautions for Use

- Always use the Backpacker Stock in accordance with the manufacturer's instructions.
- Ensure that the stock is securely attached to the Ruger PC Carbine before use.
- Do not modify or alter the Backpacker Stock in any way that could compromise its safety or functionality.
- Be aware of your surroundings and ensure a clear shooting area before discharging the firearm.
- Use only compatible magazines and accessories with the Backpacker Stock to prevent malfunctions.
- If you experience any malfunctions or issues while using the Backpacker Stock, discontinue use immediately and seek assistance.

Instructions for Installation and Usage

Installation

1. **Prepare Your Tools:** Gather any necessary tools required for the installation process.
2. **Remove Existing Stock:** If applicable, remove the existing stock from your Ruger PC Carbine by following the manufacturer's instructions.
3. **Attach the Backpacker Stock:**
 - Align the Backpacker Stock with the receiver of the Ruger PC Carbine.
 - Securely fasten the stock using the provided hardware, ensuring a tight fit.
4. **Check for Stability:** After installation, check the stock to ensure it is firmly attached and does not wobble.

Usage

- **Loading the Firearm:** Load the Ruger PC Carbine according to the manufacturer's guidelines.
- **Adjusting the Length of Pull:** If necessary, adjust the length of pull using the 3/8inch insert for a comfortable shooting position.
- **Using Storage Compartments:** Utilize the storage compartments in the grip and cheek riser for storing a single pistol magazine or other small items.

Disposal Instructions

- Dispose of the Backpacker Stock responsibly, following local regulations regarding plastic and polymer waste.
- If the product is damaged beyond repair, consider recycling the materials where possible.
