

RUGER PC® CARBINE BACKPACKER STOCKS - MAGPUL PC BACKPACKER STOCK FOR RUGER PC CARBINE ODG

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

A Backpacker Stock for Your Ruger PC Carbine

When the Backpacker Stock first emerged for the popular Ruger 10/22®, enthusiasts flocked to the streamlined design that made takedown models of the 10/22 easy to carry. Now, that same functionality is available to owners of the Ruger PC Carbine®, which operates with the same quick-takedown mechanism as the 10/22. This Magpul Backpacker Stock provides ultimate portability and provides many of the same features found in the original X-22 Backpacker. You'll find the same interface that locks the two separate halves of the gun together for transport and storage, and there are M-LOK attachment slots on the forend that make adding accessories a breeze. Ruger® models equipped with chassis and/or tubular handguards utilize a Modular Handguard Mount which will need to be replaced by the end user with a standard Takedown Block in order to mount the Magpul Forend. Each Magpul PC Carbine® Backpacker Stock includes two storage locations, one found in the water-resistant grip and the other in the cheek riser that accommodates storage for a single pistol magazine. The size of this rear compartment will accommodate magazines up to the size of Magpul's PMA 21 GL9. This drop-in stock fit is designed to work with PC Carbines chambered in 9mm and .40 S&W, and there are interchangeable cheek risers that will work for mounted optics. A non-slip rubber butt pad ensures shooting comfort, and you can add an additional 3/8-inch insert to adjust the length-of-pull.

Attributes

- Name: [MAGPUL PC BACKPACKER STOCK FOR RUGER PC CARBINE ODG](#)

RUGER PC® CARBINE BACKPACKER STOCKS

Consumer Safety Instruction Guide

Introduction

Thank you for choosing the RUGER PC® CARBINE BACKPACKER STOCKS. This guide provides essential safety instructions, precautions for use, and installation guidelines to ensure a safe and enjoyable experience with your product. Please read this document carefully and keep it for future reference.

General Safety Guidelines

- Always handle firearms and firearm accessories with care.
- Ensure that you are familiar with the operation and safety features of your Ruger PC Carbine before using the Backpacker Stock.
- Store the product in a secure location away from children and unauthorized users.
- Regularly inspect the Backpacker Stock for any signs of damage or wear before use.
- Follow all local laws and regulations regarding firearms and their accessories.
- If you notice any defects or irregularities, discontinue use and consult a qualified professional.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before attaching or detaching the Backpacker Stock.
- Always use the Backpacker Stock in a safe and controlled environment.
- Avoid using the Backpacker Stock if you are under the influence of drugs or alcohol.
- Use only compatible magazines as specified in the product description.
- Do not exceed the manufacturer's recommended weight limit for accessories attached to the forend.
- Be aware of your surroundings and ensure that your shooting area is clear of bystanders.

Instructions for Installation and Usage

1. Installation of the Backpacker Stock:

- Ensure the Ruger PC Carbine is unloaded.
- Remove the existing stock from the firearm by following the manufacturer's instructions for disassembly.
- Align the Backpacker Stock with the receiver of the Ruger PC Carbine.
- Securely attach the Backpacker Stock using the provided hardware, ensuring it is tightened to the manufacturer's specifications.
- Check that the stock is properly installed by gently pulling on it to ensure stability.

2. Usage Instructions:

- Familiarize yourself with the features of the Backpacker Stock, including storage compartments and MLOK attachment slots.
- Load the firearm according to the manufacturer's guidelines before use.
- Adjust the length of pull using the included 3/8 inch insert for optimal comfort.
- Utilize the nonslip rubber butt pad for improved shooting stability.
- Store any additional equipment or accessories in the designated storage compartments.

3. PostUse Care:

- Clean the Backpacker Stock regularly to maintain its functionality.
- Store the firearm and Backpacker Stock in a secure, dry location when not in use.

Disposal Instructions

- Dispose of the Backpacker Stock in accordance with local regulations.
- If the product is damaged beyond repair, contact your local waste management facility for guidance on proper disposal methods.
- Ensure that any components that could pose a safety risk are rendered unusable prior to disposal.

Contact Information for Further Support

For any questions or concerns regarding the RUGER PC® CARBINE BACKPACKER STOCKS, please consult the manufacturer's website or contact their customer support service.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your RUGER PC® CARBINE BACKPACKER STOCKS. Thank you for your attention to safety and responsible firearm handling.
