

## 223 WSSM GOLD MEDAL MATCH BUSHING NECK DIE SET - RCBS

### 223 WSSM BUSHING NECK DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The 223 WSSM Gold Medal Match Series comprises the finest reloading dies built by RCBS. The two-die Neck Bushing set includes the Neck Bushing Sizer Die, which resizes only the case neck, and a Seater Die. This changeable diameter neck bushing die has been trusted by benchrest and long-range precision shooters for years. It lets reloaders precisely set the amount of tension on the bullet, reducing work-hardening of the case neck brass, prolonging case life and increasing accuracy. However, getting these benefits requires the use of high-end brass with consistent neck thicknesses. Neck bushings (sold separately) are available in .001-inch increments from .189-inch to .365-inch. Note: Neck Bushings are not included.

#### Attributes

- Name: [RCBS 223 WSSM BUSHING NECK DIE SET](#)

# Safety Instruction Guide for 223 WSSM Gold Medal Match Bushing Neck Die Set

## Introduction

Thank you for choosing the 223 WSSM Gold Medal Match Bushing Neck Die Set by RCBS. This guide provides essential safety instructions and usage information to ensure a safe and effective reloading experience. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure safe use of the product by following all instructions.
- Use the product only for its intended purpose.
- Always wear appropriate safety gear, including safety glasses and gloves, when reloading.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for wear and damage before use.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Improper use may lead to firearm malfunction or injury.
- Reloading with inconsistent brass can affect accuracy and safety.

### • Avoiding Hazards:

- Always use highquality brass with consistent neck thickness.
- Ensure that neck bushings (sold separately) are installed correctly and securely.
- Follow the manufacturer's guidelines for adjusting neck tension.
- Do not exceed recommended loads for your specific firearm.

### • Age or Audience Specific Warnings:

- This product is intended for use by individuals aged 18 and older.
- Ensure that inexperienced users are supervised by a knowledgeable adult.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your reloading press is clean and free of debris.
- Attach the Neck Bushing Sizer Die to the press according to the manufacturer's instructions.
- Select and insert the appropriate neck bushing for your case size (available in .001inch increments).
- Secure the Seater Die to the press, following the manufacturer's guidelines.

### 2. Usage:

- Begin by resizing the case neck using the Neck Bushing Sizer Die.
- Adjust the die to achieve the desired neck tension on the bullet.
- Use the Seater Die to seat the bullet to the appropriate depth.

- Regularly check your reloads for consistency and quality.

### **3. Maintenance:**

- Clean the dies after each use to prevent corrosion and ensure smooth operation.
- Store the dies in a dry place, protected from moisture and extreme temperatures.

## **Disposal Instructions**

- Dispose of any defective or damaged parts according to local regulations.
- Recycle packaging materials when possible.
- Do not dispose of reloading materials or spent cartridges in regular household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the 223 WSSM Gold Medal Match Bushing Neck Die Set, please refer to the manufacturer's official website or contact their customer service department for assistance. Ensure to have the product information available for quicker support.

By following these safety instructions and guidelines, you can ensure a safe and enjoyable reloading experience. Thank you for your attention to safety!
