

# 30 M1 CARBINE CARBIDE 3-DIE SET - RCBS 30 M1 CARBINE CARBIDE 3-DIE SET

[Reloading](#) > [Reloading Dies](#) > [Handgun Dies](#)

RCBS pioneered and developed 3-Die Sets for straight-wall rifle and pistol cases. The 30 M1 Carbine Carbide Sizer Die sizes the case and de-primes (the carbide sizer ring eliminates the need to lubricate). The Expander Die expands the case to the proper diameter to accept the bullet, and it imparts case mouth flare/bell for bullet feeding. The Seater Die seats the bullet and roll crimps.

## Attributes

- Name: [RCBS 30 M1 CARBINE CARBIDE 3-DIE SET](#)
- Manufacturer: [RCBS](#)
- Product no.: 100060074
- Mfr. No.: 18015
- Cartridge: 30 M1 Carbine
- Delivery weight: 0.454kg
- Shipping height: 38mm
- Shipping width: 114mm
- Shipping length: 152mm
- UPC: 076683180155

# Safety Instruction Guide for RCBS 30 M1 Carbine Carbide 3Die Set

## Introduction

Thank you for choosing the RCBS 30 M1 Carbine Carbide 3Die Set. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this document carefully before using the die set.

## General Safety Guidelines

- **Product Safety:** Always ensure the safe use of this product, which is designed for reloading ammunition. Follow all safety protocols during operation.
- **Enhanced Recalls:** Stay informed about any recalls. If you receive a recall notification, act immediately and follow the instructions provided.
- **Online Shopping:** When purchasing online, ensure that the platform complies with safety regulations. Verify the seller's credibility.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For safety inquiries, ensure you have access to a contact point within the EU.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on product safety and recalls.

## Specific Safety Precautions for Use

- **Read the Manual:** Always read the instruction manual that comes with the die set before use.
- **Protective Gear:** Wear appropriate safety gear, including safety glasses and gloves, when using the die set.
- **Work Environment:** Use the die set in a wellventilated area to avoid inhaling any dust or particles.
- **Check Equipment:** Before use, inspect the die set for any visible damage or wear. Do not use damaged equipment.
- **Avoid Distractions:** Focus on the task at hand. Avoid distractions while using the die set to prevent accidents.
- **Keep Workspace Clean:** Maintain a clean workspace to avoid accidents and ensure efficient operation.

## Instructions for Installation and Usage

### • Installation:

1. **Prepare the Press:** Ensure that your reloading press is clean and properly set up.
2. **Install the Sizer Die:** Screw the Sizer Die into the press and adjust it according to the manufacturer's instructions.
3. **Install the Expander Die:** Follow the same process for the Expander Die, ensuring it is securely tightened.
4. **Install the Seater Die:** Finally, install the Seater Die and adjust it for the desired bullet seating depth.

### • Usage:

1. **Sizing the Case:** Insert the empty case into the Sizer Die and operate the press to resize and deprime the case.
2. **Expanding the Case:** Move the resized case to the Expander Die to expand the mouth for bullet insertion.
3. **Seating the Bullet:** Place the bullet on the expanded case and use the Seater Die to seat the

bullet to the desired depth.

4. **Crimping:** If necessary, adjust the Seater Die to apply a roll crimp to the bullet.
5. **Inspection:** After reloading, inspect each round for proper seating and crimping.

## Disposal Instructions

- **Dispose of Unused Components:** Follow local regulations for the disposal of any unused or excess materials.
- **Recycling:** Where possible, recycle materials such as cardboard packaging and metal components.
- **Hazardous Waste:** If any components are deemed hazardous, contact your local waste management authority for proper disposal methods.

## Contact Information for Further Support

For further assistance or inquiries regarding the RCBS 30 M1 Carbine Carbide 3Die Set, please refer to the contact information provided on the product packaging or visit the official RCBS website for support resources.

By adhering to these safety guidelines and instructions, you can ensure a safe and effective reloading experience with the RCBS 30 M1 Carbine Carbide 3Die Set. Always prioritize safety and follow all manufacturer recommendations during use.
