

# 32 AUTO CARBIDE 3-DIE SET - RCBS 32 AUTO CARBIDE 3-DIE SET

[Reloading](#) > [Reloading Dies](#) > [Handgun Dies](#)

RCBS pioneered and developed 3-Die Sets for straight-wall rifle and pistol cases. The 32 Auto Carbide Sizer Die sizes the case and de-primes (the carbide sizer ring eliminates the need to lubricate). The Expander Die expands the case to the proper diameter to accept the bullet, and it imparts case mouth flare/bell for bullet feeding. The Seater Die seats the bullet and roll crimps.

## Attributes

- Name: [RCBS 32 AUTO CARBIDE 3-DIE SET](#)
- Manufacturer: [RCBS](#)
- Product no.: 100060075
- Mfr. No.: 20015
- Cartridge: 32 Auto (ACP)
- Delivery weight: 0.454kg
- Shipping height: 38mm
- Shipping width: 114mm
- Shipping length: 152mm
- UPC: 076683200150

# Safety Instruction Guide for RCBS 32 Auto Carbide 3Die Set

## Introduction

Thank you for choosing the RCBS 32 Auto Carbide 3Die Set. This guide provides essential safety instructions and guidelines for the proper use, installation, and disposal of this product. Please read the entire guide carefully to ensure safe and effective use.

## General Safety Guidelines

- Always handle the dies with care to avoid injury.
- Use the dies only for their intended purpose, which is to reload 32 Auto (ACP) cartridges.
- Keep the dies out of reach of children and vulnerable individuals.
- Ensure a wellventilated area when using the dies to avoid inhalation of any fumes or dust.
- Regularly inspect the dies for any signs of wear or damage before use.
- Follow all local laws and regulations regarding ammunition reloading and storage.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- Potential hazards include cuts from sharp edges or tools, exposure to chemicals in reloading materials, and risks associated with improper handling of ammunition.

- **Avoiding Hazards:**

- Always wear safety glasses when reloading to protect your eyes from debris.
  - Use gloves if handling any chemicals or materials that could irritate the skin.
  - Ensure all reloading equipment is properly set up and secured before use.
  - Do not exceed the recommended load specifications for the cartridges.

- **Age Specific Warnings:**

- This product is not intended for use by individuals under the age of 18. Ensure that only responsible adults handle and operate the reloading equipment.

## Instructions for Installation and Usage

- **Installation:**

1. Carefully unpack the 3die set and inspect for any damage.
2. Follow the manufacturer's instructions to install the dies in the reloading press.
3. Ensure that the dies are tightened securely to avoid movement during use.

- **Usage:**

1. **Sizer Die:**

- Use the carbide sizer die to size the 32 Auto cartridge cases and deprime them. No lubrication is needed due to the carbide sizer ring.

## 2. **Expander Die:**

- Insert the expander die to expand the case mouth to the correct diameter for bullet seating. This die also flares the case mouth for easier bullet insertion.

## 3. **Seater Die:**

- Use the seater die to seat the bullet into the case. This die also applies a roll crimp to secure the bullet in place.

## **Disposal Instructions**

- Dispose of any unused or damaged components of the die set according to local regulations.
- Do not throw away the dies in regular household waste. Instead, check with local waste management services for proper disposal methods.
- Ensure that all reloading materials, including spent primers and cases, are disposed of safely and in accordance with local laws.

## **Contact Information for Further Support**

For any questions or concerns regarding the RCBS 32 Auto Carbide 3Die Set, please refer to the manufacturer's contact information provided with the product.

Remember to report any unsafe products or accidents to the relevant authorities and check for recall updates on the EU's Safety Gate platform. Your safety is our priority. Thank you for following these guidelines.
