

45-90 SHARPS 3-DIE SET - RCBS 45-90 SHARPS 3-DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The 45-90 Sharps 3-Die Roll Crimp Set is for loading straight-wall cartridges. Its steel Sizer Die sizes the case and de-primes. Note: Cases must be lubricated. The Expander Die expands the case to the proper diameter to accept the bullet, and it imparts case mouth flare/bell for bullet feeding. The Seater Die seats the bullet and roll crimps.

Safety Instruction Guide for the 4590 SHARPS 3DIE SET

Introduction

Thank you for choosing the 4590 SHARPS 3DIE SET by RCBS. This guide provides essential safety instructions and usage guidelines to ensure safe handling and operation of the product. Please read this guide carefully before using the die set.

General Safety Guidelines

- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the die set.
- Keep the workspace clean and free of obstructions to prevent accidents.
- Ensure that all tools and equipment are in good working condition before use.
- Store the die set in a secure location, out of reach of children and pets.
- Report any unsafe conditions or incidents to the relevant authorities.
- Regularly check for product recalls on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Risk of injury from sharp edges or moving parts.
- Risk of burns from hot surfaces during operation.
- Risk of exposure to lubricants and chemicals used in the reloading process.

- **Avoiding Hazards:**

- Handle the dies with care to avoid cuts or injuries.
- Allow equipment to cool down before handling.
- Use lubricants and chemicals in a wellventilated area and follow all safety instructions provided by the manufacturer.
- Do not attempt to modify or alter the die set in any way.

- **AgeSpecific Warnings:**

- This product is intended for use by adults. Keep it away from children and individuals who may not understand the risks involved.

Instructions for Installation and Usage

- **Installation:**

1. Ensure that your reloading press is compatible with the 4590 SHARPS 3DIE SET.
2. Securely mount the press according to the manufacturer's instructions.
3. Install the Sizer Die into the press, ensuring it is tightened properly.
4. Install the Expander Die and ensure it is adjusted to the desired setting.
5. Install the Seater Die last, following the same tightening procedure.

- **Usage:**

1. **Lubrication:** Before using the Sizer Die, lubricate the cases to prevent sticking.

2. **Sizing:** Place the lubricated case into the Sizer Die and operate the press to size and deprime the case.
3. **Expanding:** After sizing, use the Expander Die to expand the case mouth. Adjust the die to create the appropriate flare for bullet seating.
4. **Seating:** Finally, use the Seater Die to seat the bullet into the case. Ensure that it is roll crimped properly to secure the bullet.

Disposal Instructions

- Dispose of any waste materials, including used cases and lubricants, in accordance with local regulations.
- Do not dispose of hazardous materials in regular trash. Check for local recycling or hazardous waste disposal options.

Contact Information for Further Support

For any inquiries or concerns regarding the product, please refer to the manufacturer's website or contact their customer support for assistance.

By following these safety instructions, you can help ensure a safe and effective reloading experience with the 4590 SHARPS 3DIE SET. Thank you for prioritizing safety in your reloading practices.
