

# 7MM BR GOLD MEDAL MATCH BUSHING NECK DIE SET - RCBS 7MM BR BUSHING NECK DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The 7mm BR Gold Medal Match Series comprises the finest reloading dies built by RCBS. The two-die Neck Bushing set includes the Neck Bushing Sizer Die, which resizes only the case neck, and a Seater Die. This changeable diameter neck bushing die has been trusted by benchrest and long-range precision shooters for years. It lets reloaders precisely set the amount of tension on the bullet, reducing work-hardening of the case neck brass, prolonging case life and increasing accuracy. However, getting these benefits requires the use of high-end brass with consistent neck thicknesses. Neck bushings (sold separately) are available in .001-inch increments from .189-inch to .365-inch. Note: Neck Bushings are not included.

## Attributes

- Name: [RCBS 7MM BR BUSHING NECK DIE SET](#)
- Manufacturer: [RCBS](#)

# Safety Instruction Guide for 7MM BR Gold Medal Match Bushing Neck Die Set

## Introduction

Thank you for choosing the 7MM BR Gold Medal Match Bushing Neck Die Set by RCBS. This guide provides essential safety instructions and usage information to ensure a safe and effective reloading experience. It is important to follow these guidelines to mitigate risks associated with the use of this product.

## General Safety Guidelines

- Ensure safe use of the die set by following all instructions carefully.
- Be aware of the risks associated with reloading, including potential hazards from improper handling and use of materials.
- Always use highquality brass with consistent neck thicknesses to maximize the benefits of this die set.
- Keep the die set and all reloading components out of reach of children and vulnerable individuals.
- Regularly check for updates on product safety and recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses and gloves, when handling reloading equipment.
- Inspect the die set and all related components for damage before use. Do not use any damaged parts.
- Ensure that your reloading area is wellventilated and free from clutter to prevent accidents.
- Use only the recommended neck bushings (sold separately) that fit within the specified size range of .189inch to .365inch.
- Follow the manufacturer's instructions for setting up and adjusting the die set to avoid misalignment and potential accidents.
- Never exceed the recommended load limits for your specific cartridge to ensure safe reloading practices.

## Instructions for Installation and Usage

### 1. Preparation:

- Read all instructions and safety guidelines before beginning.
- Gather all necessary materials, including the die set, reloading press, and appropriate neck bushings.

### 2. Installation:

- Securely mount the reloading press on a stable work surface.
- Attach the Neck Bushing Sizer Die to the press, following the manufacturer's instructions for proper alignment.
- Insert the appropriate neck bushing into the die.

### 3. Using the Neck Bushing Sizer Die:

- Insert the case into the die and operate the press to resize the neck.
- Check the neck tension and adjust as necessary by changing the neck bushing.
- Use the Seater Die to seat the bullet to the desired depth, ensuring proper alignment.

### 4. Final Checks:

- After reloading, inspect each cartridge for proper seating and neck tension.
- Store the die set and all components in a safe, dry place when not in use.

## **Disposal Instructions**

- Dispose of any damaged or unusable components in accordance with local regulations.
- Recycle packaging materials where possible to minimize environmental impact.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the 7MM BR Gold Medal Match Bushing Neck Die Set, please refer to the manufacturer's contact information provided with the product packaging. Always ensure that you have access to support for any safety inquiries.

By following these safety instructions, you can ensure a safe and enjoyable reloading experience with your 7MM BR Gold Medal Match Bushing Neck Die Set. Thank you for your attention to safety!
