

APS STRIP LOADER

[Reloading](#) > [Priming Tools](#) > [Priming Tool Accessories](#)

The APS Primer Strip Loader is perfect for those who already have a supply of primers in conventional packaging, as it allows reloaders to quickly fill empty primer strips. It's simple to use and even faster than loading a primer tube. Each push of the handle safely inserts 25 primers into an APS strip for use with the RCBS APS Priming System.

APS Strip Loader Safety Instructions

Introduction

Thank you for choosing the APS Strip Loader by RCBS. This product is designed to help you quickly and safely load primers into APS strips for use with the RCBS APS Priming System. To ensure safe and effective use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always use the APS Strip Loader in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product regularly for any signs of wear or damage.
- Do not attempt to modify or repair the product yourself.
- Ensure that you are in a welllit area when using the product.
- Familiarize yourself with the components of the APS Strip Loader before use.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use only the primers specified by the manufacturer with the APS Strip Loader.
- Do not overload the primer strips beyond the recommended capacity.
- Always keep your hands clear of the loading area while operating the device.
- Wear safety glasses to protect your eyes from accidental primer discharge.
- Ensure that the handle is fully engaged before attempting to load primers.
- If you experience any difficulty while using the product, stop immediately and consult the user manual.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary materials, including the APS Strip Loader and your supply of primers.
- Ensure that the workspace is clean and free of clutter.

2. Loading Primers:

- Open the APS Strip Loader by following the manufacturer's instructions.
- Carefully place the primers into the designated loading area, ensuring they are oriented correctly.
- Close the loader securely.

3. Operating the Loader:

- Firmly grasp the handle of the APS Strip Loader.
- Push the handle downwards in a smooth motion to load 25 primers into the APS strip.
- Repeat the process as needed, ensuring not to exceed the strip capacity.

4. PostUse:

- After loading, remove the filled APS strip from the loader.
- Store the APS Strip Loader in a safe location when not in use.

Disposal Instructions

- Dispose of any unused or expired primers in accordance with local regulations.

- Do not dispose of the APS Strip Loader in regular household waste.
- Check with local authorities for proper disposal methods for this product.

Contact Information for Further Support

For any further inquiries or support regarding the APS Strip Loader, please consult the manufacturer's website or customer service for assistance.

By following these safety instructions, you can ensure a safe and effective experience with your APS Strip Loader. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation.
