# Safety Instruction Guide for APS STRIPS RCBS LARGE RIFLE APS STRIPS, YELLOW 8/PACK

## Introduction

Thank you for choosing the APS STRIPS RCBS LARGE RIFLE APS STRIPS. This product is designed to assist you in safely loading and using primers. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that you fully understand the operation of the product before use.
- Always handle primers and related materials with care to avoid accidents.
- Keep this product out of reach of children and vulnerable individuals.
- Report any unsafe products or incidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Do not use the APS strips if they are damaged or show signs of wear.
- Always use the striploder to load primers into the strips.
- Do not exceed the recommended number of primers per strip (25 primers).
- Ensure that the working area is clean and free from any flammable materials.
- Wear appropriate safety gear, such as safety glasses and gloves, when handling primers.
- Avoid any direct contact with the primer material and follow the manufacturer's guidelines for safe handling.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that your working area is wellventilated and free of distractions.
- Gather all necessary tools and materials, including the striploder and primers.

### 2. Loading the Strips:

- Place the empty APS strip into the striploder.
- Carefully insert the primer of your choice into the striploder.
- Pull the handle of the striploder to load the primer into the APS strip.
- Repeat the process until the strip holds 25 primers.
- Inspect the strip to ensure all primers are securely loaded.

### 3. Using the Loaded Strips:

- Follow the specific instructions for your firearm when using the loaded APS strips.
- Ensure that the firearm is pointed in a safe direction at all times.
- Do not attempt to load or unload primers in a confined or unsafe environment.

### 4. PostUse:

- Store any unused primers and strips in a secure location, away from children and pets.
- Clean your working area to prevent any accidental ignition of primers.

## **Disposal Instructions**

- Dispose of any unused or expired primers according to local regulations.
- Do not dispose of primers in regular household waste.
- Contact your local waste management facility for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the APS STRIPS RCBS LARGE RIFLE APS STRIPS, please refer to the manufacturer's contact information provided on the product packaging or the official website.

Thank you for your attention to these safety instructions. Your safety and the safety of others depend on your adherence to these guidelines.
