Safety Instruction Guide for APS STRIPS RCBS LARGE RIFLE BR2 APS STRIPS

Introduction

Thank you for choosing the APS STRIPS RCBS LARGE RIFLE BR2 APS STRIPS. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this guide thoroughly before use to understand the necessary precautions and procedures.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Store the product in a cool, dry place away from direct sunlight and heat sources.
- Keep out of reach of children and vulnerable individuals.
- Regularly check for any damages or wear before use.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recall updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always handle primers and APS strips with care to avoid accidental ignition.
- Do not attempt to load the strips with primers if you are unfamiliar with the process. Seek guidance if needed.
- Wear appropriate safety gear, such as safety glasses and gloves, when handling primers.
- Avoid using the product in a confined space. Ensure adequate ventilation.
- Do not expose the strips to moisture or extreme temperatures.
- In case of accidental ignition, follow your local emergency procedures for handling fire.

Instructions for Installation and Usage

1. Preparation:

- Ensure your work area is clean and free from any distractions.
- Gather all necessary tools and equipment, including the striploder.

2. Loading the APS Strips:

- Open the striploder and ensure it is clean and free from debris.
- Carefully insert the primer of your choice into the striploder.
- Follow the instructions provided with the striploder to load the primer into the APS strip.
- Each APS strip holds 25 primers; do not exceed this limit.

3. Using the APS Strips:

- Once loaded, the APS strips can be used as intended with the appropriate priming tool.
- Ensure that the priming tool is compatible with the APS strips before use.
- Always follow the safety guidelines provided with your priming tool.

4. PostUsage:

- After use, store the APS strips in a safe location, away from children and pets.
- Dispose of any unused or damaged primers and strips in accordance with local regulations.

Disposal Instructions

- Dispose of any unused or damaged APS strips and primers according to local hazardous waste disposal regulations.
- Do not throw away the product in regular household waste.
- Contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the APS STRIPS RCBS LARGE RIFLE BR2 APS STRIPS, please refer to the manufacturer's contact information provided on the packaging or visit their official website.

Thank you for prioritizing safety while using the APS STRIPS RCBS LARGE RIFLE BR2 APS STRIPS. Your adherence to these guidelines helps ensure a safe and efficient experience.
