# Safety Instruction Guide for APS STRIPS RCBS LARGE RIFLE MAGNUM APS STRIPS, BLUE 8/PACK

## Introduction

Thank you for choosing the APS STRIPS RCBS LARGE RIFLE MAGNUM APS STRIPS. These strips are designed for safe and efficient loading of primers. This guide provides essential safety instructions to ensure proper use and handling of the product, in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always store the APS strips in a cool, dry place away from direct sunlight and heat sources.
- Keep the product out of reach of children and pets to prevent accidental ingestion or misuse.
- Inspect the strips for any damage before use. Do not use damaged strips.
- Follow all local regulations regarding the use and storage of primers and reloading components.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Only use the strips with compatible primers. Refer to the manufacturer's specifications for compatibility.
- Do not exceed the maximum capacity of 25 primers per strip.
- Avoid any physical impact or pressure on the loaded strips to prevent accidental discharge.
- When loading primers, do so in a wellventilated area away from open flames or sparks.
- Always wear appropriate safety gear, including safety glasses and gloves, when handling primers.
- Do not attempt to modify the strips or use them for purposes other than intended.

## Instructions for Installation and Usage

### 1. Loading the Strips:

- Use a striploader to load your chosen primers into the APS strips.
- Ensure that the striploader is compatible with the APS strips.
- Carefully insert the primers into the strip, ensuring they are seated correctly.

### 2. Using the Loaded Strips:

- Once loaded, handle the strips with care to avoid jostling or dropping them.
- Always point the strip away from yourself and others during handling.
- When inserting a strip into a reloading tool, follow the manufacturer's instructions for your specific tool.

### 3. Storage:

- After use, store the strips in their original packaging or a designated container.
- Ensure that the storage area is secure and out of reach of unauthorized individuals.

## Disposal Instructions

- Dispose of any unused or damaged strips in accordance with local regulations for hazardous materials.
- Do not throw strips or primers in regular household waste.
- Contact your local waste disposal authority for guidance on safe disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or further assistance, please refer to the manufacturer's contact information provided on the product packaging or visit the manufacturer's website.

Thank you for prioritizing safety while using the APS STRIPS RCBS LARGE RIFLE MAGNUM APS STRIPS. Your adherence to these guidelines will help ensure a safe and enjoyable reloading experience.
