Safety Instruction Guide for GRAY DIE STORAGE BOX RCBS

Introduction

Thank you for choosing the GRAY DIE STORAGE BOX by RCBS. This product is designed to safely store your dies when not in use, featuring a unique cradle design to prevent damage. To ensure your safety and the longevity of the product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always use the product as intended, following the manufacturer's instructions.
- Keep the product out of reach of children to prevent accidents.
- Regularly inspect the storage box for signs of wear or damage.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about product recalls by checking the EU Safety Gate platform.

Specific Safety Precautions for Use

- Ensure the storage box is placed on a stable and flat surface to prevent tipping.
- Do not overload the storage box with more than three dies to avoid damage.
- Avoid exposure to extreme temperatures or moisture, which may affect the integrity of the box.
- Use caution when handling dies to prevent injury from sharp edges.

Instructions for Installation and Usage

1. Unboxing the Product

- Carefully remove the GRAY DIE STORAGE BOX from its packaging.
- Inspect the box for any visible damage before use.

2. Loading the Dies

- Open the storage box lid.
- Place up to three dies into the designated cradles, ensuring they are securely held in place.
- Close the lid gently to protect the dies from dust and damage.

3. Using Additional Features

- Utilize the loading data label to keep track of your dies' specifications.
- Place the rust preventative disk within the box to help maintain the condition of your dies.
- Use the black identification label to mark the box for easy recognition.

4. Storage Recommendations

- Store the GRAY DIE STORAGE BOX in a cool, dry place.
- Avoid stacking heavy items on top of the box to prevent deformation.

Disposal Instructions

- Dispose of the GRAY DIE STORAGE BOX in accordance with local regulations.
- If the box is damaged beyond use, consider recycling the materials where possible.
- Do not dispose of the product in household waste.

Contact Information for Further Support

For safety inquiries or support regarding your GRAY DIE STORAGE BOX, please refer to the manufacturer's contact details provided with your purchase.

Thank you for your attention to these safety instructions. Enjoy using your GRAY DIE STORAGE BOX by RCBS safely and effectively!
