Safety Instruction Guide for RCBS 32 Winchester Special/3240 Winchester Replacement Decapping Assembly

Introduction

Thank you for choosing the RCBS 32 Winchester Special and 3240 Winchester Replacement Decapping Assembly. This product is designed to assist in depriming and expanding the neck of bottleneck cartridges. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Always wear appropriate safety gear, such as safety glasses, when using the decapping assembly.
- Regularly inspect the product for any signs of wear or damage before use.
- If you notice any faults or issues, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Handle the decapping assembly with care to avoid injury from sharp edges.
- Ensure that the expander rod and decapping pin are securely attached before use.
- Do not exceed the recommended limits for cartridge sizes as specified by the manufacturer.
- Avoid using the product in a damp or wet environment to prevent electrical hazards.
- Store the decapping assembly in a cool, dry place when not in use.

Instructions for Installation and Usage

1. Installation

- Remove the decapping assembly from its packaging.
- Inspect the assembly for any visible damage or missing components.
- Attach the expander rod and decapping pin securely to the sizing die according to the manufacturer's instructions.
- Ensure that all components are tightened properly before proceeding.

2. Usage

- Place the cartridge case into the sizing die.
- Operate the press according to the manufacturer's instructions to deprime the case.
- After depriming, remove the cartridge case from the die.
- Clean the decapping assembly regularly to maintain optimal performance.

Disposal Instructions

- Dispose of the product in accordance with local regulations and guidelines.
- Do not throw the product in regular household waste.
- Consider recycling components where possible.

Contact Information for Further Support

For any safety inquiries or further assistance, please reach out to the appropriate consumer support channels available in your region.

By following these safety instructions, you can ensure the safe use of the RCBS 32 Winchester Special and 3240 Winchester Replacement Decapping Assembly. Thank you for prioritizing safety!
