

6.5-300 WEATHERBY MAGNUM FULL LENGTH DIE SET - RCBS

6.5-300 WEATHERBY MAGNUM FULL LENGTH DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

This 6.5-300 Weatherby Magnum Two-Die Full Length Die Set is intended for reloading bottleneck cases, and consists of a Full-Length Sizer Die with an Expander-Decapping Unit, and a Seater Die with Bullet Seater Plug. The Full-Length Sizer Die brings the case to SAAMI minimum cartridge dimensions. It sizes the outside of the case, de-primers and expands the neck to accept the bullet. The die has vents to prevent case damage caused by trapped air and for excessive lubricant. Headspace is held to minimum tolerances to avoid changing the case body length during full length sizing. The included Seater Die has a built-in roll crimper to secure the bullet at the same time as it's seated.

Safety Instruction Guide for 6.5300 Weatherby Magnum Full Length Die Set

Introduction

Thank you for choosing the 6.5300 Weatherby Magnum Full Length Die Set by RCBS. This guide provides essential safety instructions to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

General Safety Guidelines

- **Product Safety:** This die set is designed for safe use in reloading bottleneck cases. Ensure that you understand the operation before use.
- **Enhanced Recalls:** Be aware that in the event of a safety issue, standardized recall notices will be issued, and remedies will be provided free of charge for dangerous products.
- **Online Shopping Protections:** If purchased online, you are entitled to the same safety protections as if you bought from a physical store.
- **Special Consumer Focus:** Extra precautions should be taken if children are present during the use of this product.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU-based contact for assistance.
- **Rapid Alerts:** Stay informed about unsafe products through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Improper use of the die set can lead to personal injury or damage to the equipment.
 - Ensure that all components are in good condition and free of defects before use.
- **Avoiding Hazards:**
 - Always wear appropriate personal protective equipment, such as safety glasses and gloves.
 - Keep the work area clean and well-lit to avoid accidents.
 - Do not operate the die set if you are tired or under the influence of substances that may impair your judgment.
- **Age-Specific Warnings:**
 - This product is intended for adult users only. Keep out of reach of children.

Instructions for Installation and Usage

- **Installation:**
 - Ensure that your reloading press is securely mounted on a stable surface.
 - Carefully read the instructions included with your reloading press to ensure proper setup.
 - Install the Full Length Sizer Die into the press according to the manufacturer's instructions.
 - Insert the Expander/Decapping Unit into the die as directed.
 - Attach the Seater Die with Bullet Seater Plug following the same guidelines.
- **Usage:**

- Before starting, ensure that all tools and materials are organized and within reach.
- Always check the die set for any obstructions or damage before use.
- Follow these steps for reloading:
 1. Insert the case into the FullLength Sizer Die.
 2. Operate the press to size the case and deprime it.
 3. Expand the neck of the case using the ExpanderDecapping Unit.
 4. Insert the bullet into the case neck.
 5. Use the Seater Die to seat the bullet. Ensure that the roll crimper is functioning properly.
- Regularly inspect your reloaded ammunition for any signs of defects before use.

Disposal Instructions

- Dispose of any used or defective components in accordance with local regulations.
- Do not dispose of ammunition or reloading components in regular household waste.
- Contact your local waste management authority for proper disposal methods for hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the 6.5300 Weatherby Magnum Full Length Die Set, please reach out to the designated EUbased contact for assistance.

By following these safety instructions, you can ensure a safe and effective reloading experience. Thank you for your attention to these important guidelines.
