

# 7.62X54R FULL LENGTH DIE SET - RCBS 7.62X54R FULL LENGTH DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

This 7.62x54R Two-Die Full Length Die Set is intended for reloading bottleneck cases, and consists of a Full-Length Sizer Die with an Expander-Decapping Unit, and a Seater Die with Bullet Seater Plug. The Full-Length Sizer Die brings the case to SAAMI minimum cartridge dimensions. It sizes the outside of the case, de-primers and expands the neck to accept the bullet. The die has vents to prevent case damage caused by trapped air and for excessive lubricant. Headspace is held to minimum tolerances to avoid changing the case body length during full length sizing. The included Seater Die has a built-in roll crimper to secure the bullet at the same time as it's seated.

## Attributes

- Name: [RCBS 7.62X54R FULL LENGTH DIE SET](#)
- Manufacturer: [RCBS](#)

# Safety Instruction Guide for 7.62X54R Full Length Die Set

## Introduction

Thank you for purchasing the 7.62X54R Full Length Die Set by RCBS. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this manual thoroughly before use and retain it for future reference.

## General Safety Guidelines

- Ensure that you are familiar with the reloading process and have received proper training before using this die set.
- Always wear appropriate safety gear, including safety glasses and gloves, when handling reloading equipment.
- Keep the reloading area clean, organized, and free from distractions to minimize the risk of accidents.
- Store the die set and all reloading components in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your equipment for signs of wear or damage. Do not use damaged equipment.
- Follow all local, state, and federal laws regarding the reloading of ammunition.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- The die set is designed for reloading bottleneck cases and may pose risks if not used correctly.
- Improper use can lead to dangerous malfunctions, including misfires or excessive pressure.

- **Avoiding Hazards:**

- Always ensure that the die is properly secured in your reloading press before use.
- Do not attempt to modify the die set or use it for purposes other than those intended.
- Ensure that the work area is wellventilated to avoid inhalation of fumes from lubricants or other materials.
- Never exceed the recommended load data provided by reputable sources when reloading ammunition.

- **Age and AudienceSpecific Warnings:**

- This product is intended for adult use only. Keep out of reach of children.
- Ensure that inexperienced users are supervised by a knowledgeable adult.

## Instructions for Installation and Usage

- **Installation:**

1. Clean the reloading press and ensure it is free from debris.
2. Securely attach the FullLength Sizer Die to the reloading press, following the manufacturer's instructions.
3. Install the ExpanderDecapping Unit in the sizer die.
4. Attach the Seater Die to the press, ensuring it is properly aligned.

- **Usage:**

1. Before starting, verify that you have all necessary components, including brass cases, primers, powder, and bullets.
2. Adjust the FullLength Sizer Die to the desired size according to the manufacturer's specifications.
3. Insert the brass case into the die and operate the press to size the case. Ensure that the neck is expanded for bullet seating.
4. For bullet seating, insert the bullet into the case and operate the Seater Die to secure the bullet in place. The builtin roll crimper will help secure the bullet simultaneously.
5. Regularly check the dimensions of the cases to ensure they meet SAAMI specifications.

## **Disposal Instructions**

- Dispose of any unused or excess reloading materials, including primers and powder, in accordance with local regulations.
- Do not dispose of materials in regular household waste. Instead, contact local waste management authorities for proper disposal methods.
- Ensure that all components of the die set are recycled or disposed of responsibly when no longer in use.

## **Contact Information for Further Support**

For questions or concerns regarding the safety or operation of the 7.62X54R Full Length Die Set, please refer to the manufacturer's website or contact their customer service for assistance. Always ensure that you are following the most current safety guidelines and product information.

By following these safety instructions, you can help ensure a safe and successful reloading experience with your 7.62X54R Full Length Die Set. Thank you for your attention to safety.
