

## 7.65X53 BELGIAN MAUSER FULL LENGTH DIE SET - RCBS

## 7.65X53MM BELGIAN MAUSER FULL LENGTH DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

This 7.65x53mm Belgian Mauser Two-Die Full Length Die Set is intended for reloading bottleneck cases, and consists of a Full-Length Sizer Die with an Expander-Decapping Unit, and a Seater Die with Bullet Seater Plug. The Full-Length Sizer Die brings the case to SAAMI minimum cartridge dimensions. It sizes the outside of the case, de-primes and expands the neck to accept the bullet. The die has vents to prevent case damage caused by trapped air and for excessive lubricant. Headspace is held to minimum tolerances to avoid changing the case body length during full length sizing. The included Seater Die has a built-in roll crimper to secure the bullet at the same time as it's seated.

### Attributes

- Name: [RCBS 7.65X53MM BELGIAN MAUSER FULL LENGTH DIE SET](#)
- Manufacturer: [RCBS](#)
- Product no.: 100060679
- Mfr. No.: 14301

# Safety Instruction Guide for 7.65X53 Belgian Mauser Full Length Die Set

## Introduction

Thank you for choosing the 7.65X53 Belgian Mauser Full Length Die Set by RCBS. This guide provides essential safety instructions to ensure the safe use of this product. Please read and follow all instructions carefully to minimize risks and ensure a safe reloading experience.

## General Safety Guidelines

- Ensure you are familiar with the reloading process and have received proper training before using this product.
- Always handle reloading equipment with care to prevent accidents.
- Keep the die set out of reach of children and unauthorized individuals.
- Store the die set in a dry place, away from heat and moisture, to maintain its integrity.
- Regularly inspect the die set for signs of wear or damage before each use.
- Follow all local laws and regulations regarding ammunition reloading.

## Specific Safety Precautions for Use

- Always wear safety glasses when reloading to protect your eyes from debris.
- Use only recommended components (brass, primers, powder, and bullets) that are compatible with the 7.65X53mm cartridge.
- Avoid overloading the cartridges. Follow load data from reputable sources.
- Ensure that the workspace is clean and organized to prevent accidents.
- Never reload ammunition while under the influence of drugs or alcohol.
- Do not attempt to modify the die set or use it for any purpose other than intended.

## Instructions for Installation and Usage

### 1. Setup:

- Ensure the reloading press is securely mounted and stable.
- Clean the die set before first use to remove any manufacturing residues.

### 2. Installation:

- Carefully screw the FullLength Sizer Die into the reloading press according to the manufacturer's instructions.
- Insert the ExpanderDecapping Unit into the Sizer Die and secure it.
- Install the Seater Die in the same manner, ensuring it is properly aligned.

### 3. Reloading Process:

- Begin by resizing the brass cases using the FullLength Sizer Die. Ensure the die is adjusted to achieve the correct cartridge dimensions.
- Deprime the cases and expand the neck using the ExpanderDecapping Unit.
- After resizing, clean the cases to remove any lubricant.
- Place the appropriate powder charge into the case, following load specifications.
- Insert the bullet into the case mouth and use the Seater Die to seat the bullet to the correct depth.
- Use the builtin roll crimper to secure the bullet while seating.

#### 4. PostUse:

- Clean the die set after each use to maintain its performance and longevity.
- Store the die set in a safe, dry place.

## Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of ammunition components in regular waste. Follow guidelines for hazardous materials if applicable.

## Contact Information for Further Support

For any inquiries regarding safety or product support, please contact the manufacturer's customer service or consult the product documentation.

Thank you for prioritizing safety while using the 7.65X53 Belgian Mauser Full Length Die Set. Enjoy your reloading experience responsibly.
