Safety Instruction Guide for HEADED DECAPPING PINS RCBS HEADED DECAPPING PIN 50/BAG

Introduction

Thank you for choosing the HEADED DECAPPING PINS from RCBS. This product is designed to assist in the reloading process by providing reliable and efficient decapping capabilities. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product before each use for any signs of damage or wear.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls and safety alerts through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Use only with compatible reloading equipment as specified by the manufacturer.
- Avoid direct contact with sharp edges or points of the decapping pins.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling the product.
- Do not attempt to modify or repair the decapping pins. If damaged, dispose of them properly.
- Ensure that the work area is clean and free from distractions while using the product.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading press is turned off and unplugged before installation.
- Remove any existing decapping pins from the decapping rod.
- Insert the RCBS headed decapping pin into the decapping rod until it is securely in place.
- Tighten any set screws or locking mechanisms to secure the pin.

2. Usage:

- Set up your reloading press according to the manufacturer's instructions.
- Place the case to be decapped into the appropriate position in the press.
- Engage the press to decap the case, ensuring that your hands and body are clear of moving parts.
- After decapping, inspect the cases and pins for any signs of damage or wear.

Disposal Instructions

- Dispose of any damaged or worn decapping pins in accordance with local regulations for hazardous waste.
- Do not throw the pins into regular household waste.
- Contact your local waste management facility for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the HEADED DECAPPING PINS, please refer to the manufacturer's

contact information provided on the product packaging or visit their official website for more details.

By following these safety instructions, you can ensure a safe and effective reloading experience with the HEADED DECAPPING PINS from RCBS. Thank you for your attention to safety.
