

# 338 LAPUA MAGNUM NECK DIE SET - RCBS 338 LAPUA MAGNUM NECK DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

This 338 Lapua Magnum Two-Die Neck Die Set is for bottleneck cases to be fired in bolt-action rifles only—specifically, cases fired out of a specific rifle and neck-sized to go back into the same rifle. The set consists of a Neck Sizer Die with an Expander-Decapping Unit, and a Seater Die with Bullet Seater Plug. The Neck Sizer Die resizes the neck only (it doesn't touch the shoulder or body) and de-primers. The included Seater Die has a built-in roll crimper to secure the bullet at the same time it's seated.

# Safety Instruction Guide for 338 Lapua Magnum Neck Die Set

## Introduction

Thank you for choosing the 338 Lapua Magnum Neck Die Set by RCBS. This product is designed for use with bottleneck cases in boltaction rifles. Please read this safety instruction guide carefully to ensure safe and effective use of the die set.

## General Safety Guidelines

- Ensure that you are familiar with the proper operation of your reloading equipment and procedures.
- Always wear appropriate safety gear, such as safety glasses, when reloading ammunition.
- Only use this die set with the specified cartridge (338 Lapua Magnum) to avoid accidents.
- Store all reloading components, including this die set, out of reach of children and unauthorized users.
- Report any unsafe products or incidents to the appropriate authorities.
- Regularly check for product recalls on the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Before using the die set, inspect it for any signs of damage or wear. Do not use if damaged.
- Ensure that your work area is clean and free from distractions while reloading.
- Follow the manufacturer's instructions for setting up and using the die set.
- Only handle components in a wellventilated area to avoid inhaling any harmful substances.
- Keep your hands and face clear of the die set during operation to prevent injury.

## Instructions for Installation and Usage

### 1. Setting Up the Neck Sizer Die:

- Securely mount the Neck Sizer Die into your reloading press.
- Insert the ExpanderDecapping Unit into the die and adjust it according to the manufacturer's specifications.

### 2. Using the Neck Sizer Die:

- Place the fired case into the press.
- Operate the press to resize the neck of the case, ensuring the shoulder and body are not altered.
- Remove the case and check for proper sizing.

### 3. Setting Up the Seater Die:

- Install the Seater Die into the press.
- Insert the Bullet Seater Plug and adjust it to match the desired bullet seating depth.

### 4. Using the Seater Die:

- Place the resized case into the press.
- Insert a bullet into the case mouth.
- Operate the press to seat the bullet. The builtin roll crimper will secure the bullet in place.

### 5. PostUsage Care:

- Clean the die set after each use to prevent corrosion and maintain performance.

- Store the die set in a dry place, away from moisture and extreme temperatures.

## **Disposal Instructions**

- Dispose of any damaged or unusable components in accordance with local regulations.
- Do not throw away the die set in regular household waste. Instead, contact local recycling facilities for proper disposal options.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the 338 Lapua Magnum Neck Die Set, please contact your local distributor or manufacturer representative.

By following these safety instructions, you can help ensure a safe and effective reloading experience. Thank you for your attention to safety and for using the 338 Lapua Magnum Neck Die Set by RCBS.
