

# 8X57MM MAUSER NECK DIE SET - RCBS 8X57MM MAUSER NECK DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

This 8x57mm Mauser Two-Die Neck Die Set is for bottleneck cases to be fired in bolt-action rifles only—specifically, cases fired out of a specific rifle and neck-sized to go back into the same rifle. The set consists of a Neck Sizer Die with an Expander-Decapping Unit, and a Seater Die with Bullet Seater Plug. The Neck Sizer Die resizes the neck only (it doesn't touch the shoulder or body) and de-primers. The included Seater Die has a built-in roll crimper to secure the bullet at the same time it's seated.

# Safety Instruction Guide for 8X57MM MAUSER NECK DIE SET

## Introduction

Thank you for choosing the 8X57MM Mauser Neck Die Set by RCBS. This product is designed to help you resize and seat bullets for 8mm Mauser cartridges. To ensure your safety and the proper use of this product, please read and follow the instructions provided in this guide carefully.

## General Safety Guidelines

- Ensure that you are familiar with the operation of your reloading equipment before using this die set.
- Always wear appropriate safety gear, including safety glasses, while reloading ammunition.
- Keep the workspace clean and free from obstructions to prevent accidents.
- Store all reloading components, including this die set, in a secure location away from children and unauthorized users.
- Be aware of the specific characteristics and handling requirements of the 8mm Mauser cartridges.
- Regularly inspect your reloading equipment for any signs of wear or damage. Replace any damaged components before use.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Only use this die set with 8mm Mauser (8 x 57 mm Mauser) bottleneck cases.
- Do not attempt to resize or seat bullets for any other caliber or type of ammunition.
- Ensure that the die set is correctly adjusted before starting the reloading process.
- Avoid overtightening the dies in your press, as this can cause damage or malfunction.
- Use the Neck Sizer Die only for necksizing the cases; do not attempt to resize the body or shoulder.
- Always check the reloaded ammunition for proper seating and crimping before use.
- Do not exceed the recommended load data for the 8mm Mauser cartridges.
- Follow the manufacturer's instructions for any additional components used in the reloading process.

## Instructions for Installation and Usage

### Installation

1. **Prepare Your Workspace:** Ensure your reloading area is clean and organized.
2. **Set Up Your Reloading Press:** Follow the manufacturer's instructions to set up your reloading press.
3. **Install the Neck Sizer Die:**
  - Remove the protective cap from the Neck Sizer Die.
  - Insert the Neck Sizer Die into the reloading press and tighten securely.
  - Attach the ExpanderDecapping Unit to the Neck Sizer Die.
4. **Install the Seater Die:**
  - Remove the protective cap from the Seater Die.
  - Insert the Seater Die into the reloading press and tighten securely.
  - Adjust the Bullet Seater Plug to the desired seating depth.

### Usage

1. **Neck Sizing:**
  - Place an empty 8mm Mauser case into the press.
  - Pull the handle to resize the neck and deprime the case.
  - Remove the case and inspect it for proper resizing.
2. **Seating Bullets:**

- Place a bullet on the mouth of the resized case.
- Insert the case with the bullet into the Seater Die.
- Pull the handle to seat the bullet into the case.
- Check the overall length of the loaded cartridge to ensure it meets specifications.

**3. Crimping:**

- If using the roll crimper feature, ensure the bullet is seated properly before crimping.
- Pull the handle to secure the bullet in place.

## **Disposal Instructions**

- Dispose of any unused components, including spent primers and cases, in accordance with local regulations.
- Do not dispose of any reloading materials in regular household waste.
- Check with your local waste management facility for proper disposal methods for hazardous materials.

## **Contact Information for Further Support**

For any inquiries or further assistance regarding the 8X57MM Mauser Neck Die Set, please refer to the manufacturer's contact information provided with the product packaging or visit the manufacturer's website.

By following these safety instructions, you can ensure a safe and effective reloading experience with your 8X57MM Mauser Neck Die Set. Thank you for your attention to safety, and happy reloading!
