# Safety Instruction Guide for BEAM SCALE PAN SUPPORT

## Introduction

Thank you for choosing the BEAM SCALE PAN SUPPORT by RCBS. This replacement aluminum Powder Pan Support is designed for use with the RCBS 502, 505, and 1010 scales. To ensure your safety and the proper use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always handle the product with care to avoid injury.
- Ensure that the product is used only for its intended purpose, as specified in the product description.
- Keep the product out of reach of children to prevent accidents.
- Regularly inspect the product for any signs of damage or wear. Do not use if damaged.
- In case of a malfunction or if the product does not perform as expected, cease use immediately and consult the manufacturer.

## Specific Safety Precautions for Use

- Do not exceed the weight limit specified for your RCBS scale when using the pan support.
- Avoid placing hot or corrosive materials in the pan support to prevent degradation of the material.
- Ensure that the pan support is securely attached to the scale before use to prevent spills or accidents.
- Use the product only in a dry environment to avoid slipping and ensure stable operation.
- If using the product in a workshop or similar setting, ensure that the area is welllit and organized to prevent accidents.

## Instructions for Installation and Usage

### 1. Installation:

- Carefully remove the BEAM SCALE PAN SUPPORT from its packaging.
- Align the pan support with the designated attachment points on your RCBS scale.
- Gently press or slide the pan support into position until it clicks or locks securely in place.
- Ensure that the pan support is stable and does not wobble before proceeding.

### 2. Usage:

- Place the powder pan onto the support.
- Ensure that the pan is centered and stable before adding any materials.
- Use a suitable measuring tool to avoid overloading the scale.
- Regularly check the stability of the pan during use, especially when adding or removing materials.

## Disposal Instructions

- Dispose of the product in accordance with local waste disposal regulations.
- If the product is no longer usable, recycle it if possible, or dispose of it in a manner that minimizes environmental impact.
- Do not incinerate the product, as this may release harmful substances.

## **Contact Information for Further Support**

For safety inquiries or additional support regarding the BEAM SCALE PAN SUPPORT, please reach out to the designated EU contact point provided by the manufacturer.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with your BEAM SCALE PAN SUPPORT. Always prioritize safety and consult the guidelines whenever necessary. Thank you for your attention to these important safety measures.
