# Safety Instruction Guide for RCBS 30 Thomson Center Seater Die

## Introduction

Thank you for choosing the RCBS 30 Thomson Center Seater Die. This guide provides important safety instructions and guidelines to ensure the safe use of this product. Please read this manual carefully before using the die to understand how to operate it safely and effectively.

## General Safety Guidelines

- Ensure that you are familiar with the operation of reloading equipment before using this die.
- Always wear appropriate safety gear, including safety glasses, to protect your eyes from debris.
- Keep the workspace clean and organized to prevent accidents.
- Store the die in a safe place, out of reach of children and pets.
- Regularly inspect the die for any signs of wear or damage before use.
- Follow all local laws and regulations regarding ammunition reloading.

## Specific Safety Precautions for Use

- Never exceed the recommended load specifications for the cartridge.
- Use only compatible cartridges with this die (30 Thompson Center).
- Do not force the die into position; ensure it is properly aligned before use.
- Avoid distractions while using the die to maintain focus and prevent accidents.
- If you experience any issues during operation, stop using the die immediately and consult the manufacturer or a qualified technician.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your reloading press is securely mounted and stable.
- Insert the RCBS 30 Thomson Center Seater Die into the press according to the manufacturer's instructions.
- Tighten the die securely to prevent movement during operation.

### 2. Usage:

- Prepare your cartridge cases by cleaning and inspecting them for defects.
- Insert the bullet into the case mouth.
- Adjust the die to the desired seating depth according to your load specifications.
- Slowly operate the press to seat the bullet. Ensure that the bullet is seated straight and to the proper depth.
- After seating, use the builtin roll crimper to secure the bullet in place.

## Disposal Instructions

- Dispose of any unused or defective components in accordance with local regulations.
- Do not dispose of materials in regular household waste if they are considered hazardous.
- Contact your local waste management facility for proper disposal methods for reloading materials.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the RCBS 30 Thomson Center Seater Die, please consult the manufacturer's website or contact their customer support for assistance.
