Safety Instruction Guide for RCBS 308 Norma Magnum Seater Die

Introduction

Thank you for choosing the RCBS 308 Norma Magnum Seater Die. This guide provides essential safety instructions and usage information to ensure your safety and the proper functioning of the product. Please read this document carefully before using the die.

General Safety Guidelines

- Ensure that you are familiar with the safe handling of reloading equipment and components.
- Always wear appropriate safety gear, including eye protection, when using reloading equipment.
- Keep the reloading area clean and welllit to prevent accidents.
- Store the die and all related components in a safe place, out of reach of children and pets.
- Regularly inspect the die for wear or damage before use. Do not use if damaged.

Specific Safety Precautions for Use

- Only use the die with the recommended cartridge, which is the 308 Norma Magnum.
- Follow the manufacturer's instructions for bullet seating and crimping to avoid accidents.
- Avoid overtightening the die in the press, as this may cause damage or malfunction.
- Keep fingers and hands clear of the die's moving parts during operation.
- Do not attempt to modify the die or use it for purposes other than intended.

Instructions for Installation and Usage

1. Installation:

- Ensure your reloading press is securely mounted and stable.
- Insert the RCBS 308 Norma Magnum Seater Die into the press according to the manufacturer's instructions.
- Adjust the die to the desired seating depth as specified in your reloading manual.

2. Usage:

- Prepare your cartridge cases according to standard reloading practices.
- Insert a bullet into the case mouth.
- Activate the press to seat the bullet. The builtin roll crimper will secure the bullet in place.
- Check the seating depth with a caliper to ensure it meets specifications.
- Repeat the process for the remaining cartridges, maintaining attention to safety procedures.

Disposal Instructions

- Dispose of any damaged or worn reloading components in accordance with local regulations.
- Do not throw the die or any related components in regular household waste. Instead, contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or further support regarding the RCBS 308 Norma Magnum Seater Die, please reach out to the appropriate EUbased contact point.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of your RCBS 308 Norma Magnum Seater Die. Always prioritize safety and stay informed about best practices in reloading. Thank you for your attention to these guidelines.
